To the Board of Directors

DELAWARE COUNTY TRANSPORTATION SERVICES, INC.

We have compiled the accompanying balance sheets of Delaware County Transportation Services, Inc. as of August 31, 1985 and 1984 and the related statements of income (loss) and retained earnings and changes in financial position for the years then ended in accordance with the standards established by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or any other form of assurance on them. However, we did become aware of a departure from generally accepted accounting principles that is described in the following paragraph.

A statement of changes in financial position for the year ended August 31, 1984 has not been presented. Generally accepted accounting principles require that such a statement be presented when financial statements purport to present financial position and results of operations.

DELAWARE COUNTY TRANSPORTATION SERVICES, INC.

Notes to Financial Statements

August 31, 1985 and 1984

Note 1 - Summary of Significant Accounting Policies

(A) Revenue and Expense Recognition

The company utilizes the accrual method of accounting wherein revenues are recognized when earned and expenses are recorded when incurred.

(B) Uncollectible Accounts Receivable

Since only minor losses have been experienced on uncollectible accounts receivable, no reserve for doubtful accounts is deemed necessary.

(C) Property and Equipment

Property and equipment are recorded at cost. The cost of additions and improvements are capitalized; while maintenance and repairs are charged to expense when incurred. Upon retirement or other disposition of property and equipment, the cost and related depreciation is removed from the accounts and the resulting gain or loss is included in earnings.

(D) Depreciation

Depreciation is provided using primarily the straight line method based upon the following useful lives:

Transportation equipment 3 - 5 years

For property placed into service after December 31, 1980, depreciation is computed by using the accelerated cost recover system under the provisions of the Economic Recovery Tax Act of 1981.

(E) Income Taxes

Taxes are provided for on current income using applicable state statutory tax rates. Investment tax credits are accounted for under the flow-through method as a reduction of tax in the year the benefit is realized.

Note 2 - Property and Equipment

Property and equipment used in computing depreciation are summarized as follows:

	August 31	
	1985	1984
Transportation equipment	<u>\$269,945</u>	<u>\$210,017</u>

Depreciation expense amounted to \$30,639 and \$17,992 for years ended August 31, 1985 and 1984, respectively.

DELAWARE COUNTY TRANSPORTATION SERVICES, INC.

Notes to Financial Statements

August 31, 1985 and 1984

Note 3 - Long-term Debt

Long-term debt consists of the following:

	<u>August 31</u>	
	<u>1985</u>	<u>1984</u>
Notes payable, to banks and individuals, (at varying interest rates), installment notes arising from purchases of equipment. Notes are secured by the equipment purchased.	\$50,612	\$26,601
Less portion due within one year	<u>31,368</u>	<u>20,205</u>
	<u>\$19,244</u>	<u>\$ 6,396</u>

Note 4 - Related Party Transaction

The company leases parking facilities on a monthly basis from Byrne Service Center, which is owned by the sole shareholder of Delaware County Transportation Services, Inc. Rent expense amounted to \$33,429 and \$32,132 for the years ended August 31, 1985 and 1984, respectively.

Note 5 - Contingent Liability

The company is contingently liable as the guarantor of a \$88,500 bank loan to its president and sole shareholder. In the opinion of management, the ultimate liability with respect to the guarantee, taking into consideration the collateral associated with the loan, is not material.

Note 6 - Reclassifications

The financial statements for the year ended August 31, 1984 have been reclassified where appropriate to conform with the classifications presented in the financial statements for the year ended August 31, 1985. These reclassifications did not affect income as previously reported.

ACCOUNTANTS' COMPILATION OF SUPPLEMENTARY INFORMATION

Supplementary information for the years ended August 31, 1985 and 1984 is presented only for analysis purposes and has been compiled by us from information that is the representation of management, without audit or review, and we do not express an opinion or any other form of assurance on such information.

Dear Sirs:

As a community leader and law enforcement official, I strongly urge you to grant authority to Delaware County Transportation Service, Inc. to take over the charter business formerly serviced by Red Arrow Division of S E P T A.

The loss of this charter service will greatly hamper our community and its citizens in attending both civic and social gatherings on a continuing basis throughout the year. Some functions may even have to be discontinued since those attending have no alternative means of travel.

Delaware County Transportation Service, Inc. has been serving the community and many area special schools for some time and their reputation for prompt and efficient service is well known.

We would appreciate your prompt consideration of this request.

To Whom It May Concern:

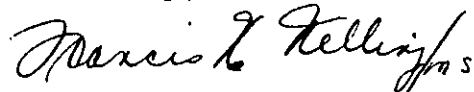

It has recently come to my attention that no company presently holds charter rights in Delaware County.

Being involved in school transportation, I feel there is a need for a reliable company to have these rights.

One such company is Delaware County Transportation Company, located at 1344 Chester Pike, Sharon Hill, PA.. Mr. Leo Byrne is the owner and operator of this company.

Thank you for your consideration of this matter.

To Whom It May Concern:

I have been informed by Mr. Leo Byrne of the Delaware County Transportation Service, Inc. that SEPTA Red Arrow Division will discontinue providing charter service in the near future, thus creating a void in bus service to suburban Philadelphia.

The Community Service Corps, an agency of the Department of Youth Activities in the Archdiocese of Philadelphia, is concerned that such a discontinuation may severely curtail the availability of transportation to the population it serves, including youth and senior citizens.

Our organization has dealt with the Delaware County Transportation Service, Inc. in the past. They have provided us with bus service for a number of programs, including High School tutoring of grade school youngsters, visits to Nursing Homes, and transportation of teenagers to retreats and conventions.

The service they have provided has been more than reliable. The buses are prompt and the drivers are cooperative and sensitive to the needs of their riders. The office is very efficient in terms of scheduling and very accommodating regarding any changes in our schedule.

For the above reasons, the Community Service Corps highly recommends that the Delaware County Transportation Service, Inc. be granted a certificate to operate in Delaware County.

Sincerely,

Since the Red Arrow Company no longer has its charter in the field of education and service to schools, I am writing this to let you know of the great need that we have for such a service. Most especially I would like to request that the Delaware County Transportation Service, Inc. be awarded the certificate to operate in Delaware County as the Red Arrow previously did.

Because of the excellent service and cooperation of said company, I am grateful to you for considering my recommendation. Thank you!

Gentlemen:

I understand, that as of April 1, 1986, Septa has eliminated charter buses from the services they will provide. This could mean inconvenience and additional costs for numerous organizations in the community.

Delaware County Transportation has supplied excellent and reliable services for our School District and many others in the County. I recommend that they be considered for PUC Authority so that they could provide a valuable and needed service for the entire community as they have for the school districts.

Dear Sir:

We are returning herewith the above-mentioned application in triplicate, the temporary authority application, and the emergency temporary authority application, with no filing fees.

There are a few deficiencies which require your attention before the application is acceptable for filing:

1. We need the filing fees of \$125.00 for the permanent application, \$75.00 for the temporary authority application, and \$25.00 for the emergency temporary authority application.
2. The affidavit page of the permanent application needs to be completed by the notary.
3. We need a copy of the charter purpose of the corporation.
4. On the temporary authority application, and the emergency temporary authority application needs to be completed by the notary.

Hope we have been of assistance to you in this matter.

Re: Application of Delaware County Transportation Service, Inc.
for Permanent Temporary and Emergency Temporary Authority

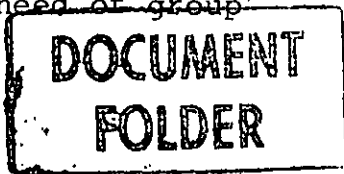

Dear Mr. Rich:

I am enclosing the above application, and in particular the following documents, in triplicate:

1. Application for Permanent Authority with attached Schedules and fee of \$125.
2. Application for Emergency Temporary Authority;
3. Supporting Statements;
4. Articles of Incorporation of Applicant;
5. Filing fee in the amount of \$75 (Temporary Authority) and \$25 (Emergency Authority).

Applicant has been in existence since 1978, transporting school children under the exemption of the Public Utility Law. Its record in that area has been excellent, as indicated for by some of the supporting documentation.

Since the SEPTA and Red Arrow division stopped its charter service, Delaware County has found itself in great need of group

and party service carriers. The Applicant, with its school bus equipment and experience is ready, willing and able to fill that void.

The lengthy application process for a permanent authority will not allow Applicant to transport for a long time. The public has an immediate need in Delaware County, and the Emergency Temporary Authority and Temporary Authority are warranted in order to fill that need.

Based upon the enclosed applications and supporting documents, it would be in the public interest for this Temporary and/or Emergency Temporary Authority to be granted forthwith.
