Docket: C-2014-2436992

Dear Ms Chiavetta:

We are sorry for any confusion about our failure to maintain insurance. It seems that it is very difficult to close a business, we don't know whom to notify and when. We had ceased operations effective May 31, 2014. We did not renew our apportioned tags for our two trucks and mailed back our license plates thru the AAA in Lancaster, PA (I think that was in July). We cancelled our insurance as each truck was sold, 1 in June, the other in August. We are currently waiting for a refund on our premium as we paid in advance and did not use the full term for which we paid. I guess I just assumed the carrier would do any notification necessary. Please accept our apology for not notifying you properly.

We will endeavor to provide any additional info. which you may require. I can be reached at the above cell #.

Sincerely,

David R. Byers
President
