To Whom It May Concern:

I understand that our former employee, Roland Barry, is having an interview regarding his application for a PUC License.

Roland Barry worked for Hamburg Brothers for approximately 32 years. In fact, he met his wife, Mary, when she was also employed here.

I cannot recommend Roland too highly for receiving the proper PUC License.

Roland is a man of impeccable integrity. He has a net worth in a moderate six figures. I am certain that he also could borrow from a bank. In fact, I would not hesitate to personally recommend him to my bank.

It gives me much pleasure and pride to unequivocally recommend Roland Barry for a PUC License. I do hope that his desires will be granted from the hearing that is to take place.

I thank you most sincerely for taking time to note my interest in Roland's application.

Sincerely,

Lester A. Hamburg
