Re: A-00108714 - Application of Sanford Alderfer and
Antique Transport, Inc.

Dear Mr. Huntington:

This letter is to confirm our telephone conversation of today which I advised you that Alderfer Antique Transport, Inc., wishes to have the application now pending for common carrier rights not scheduled for a hearing during the ninety day time schedule.

The applicant has filed an application with the commission to transfer certain authorities from Atlantic Moving Service, Inc.

If and when this application for transfer is granted, it will make unnecessary the second common carriage application which you are attempting to schedule.

Accordingly, the applicant does not wish to have it's common carrier application above captioned set for hearing until the commission acts on the transfer of the Atlantic Moving Service, Inc., authority.

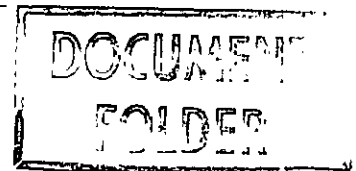

Should you have any questions regarding this, please do not hesitate to contact me. Thank you for your courtesies in this matter.
