Dear Sir:

Under date of March 17, 1988 the Secretary's office transmitted to you the Commission's compliance order of March 10, 1988, evidencing approval of the above carrier's application at A-00107838, which is in effect a transfer of a part of the rights formerly held by Intercept Delivery Service, Inc., at A-00103577, Folder 3. The letter transmitting the order directs attention to the requirement for the filing of a tariff.

PA Code, Title 52, Section 23.13(c) provides that in the case of change in ownership, etc., if feasible to do so, the tariff of the former operator shall be adopted by the new operator, and no change in rates is permitted to cover the transfer of rights.

In this instance it is not possible to meet the tariff requirements by the adoption of the former tariff for the reason that the transfer is partial in scope and it is, therefore, necessary to file a new tariff. The new tariff should be designated Freight PA PUC No. 1 and may be issued to become effective on one days notice under authority of PA Code, Title 52, Section 23.42.

We also notice that rates for the authorized service of Intercept Delivery Service, Inc. are provided in tariffs published by Tristate Household Goods Tariff Conference, Inc. Should you elect to participate in the agency publications, two copies of a suitable power of attorney should be included with the filing. If you do not elect to participate in the agency publications, a new tariff or tariffs should be filed containing the same rates, rules and regulations published by the agency for a minimum of 30 days.

Very truly yours,
Barry L. Ernst, Director
Bureau of Transportation
