To Whom It May Concern:

On May 30 and August 31, 1995, the Commission sent billings to your company for your assessment for our 1995-96 fiscal year. You have made no payment on the total assessment of \$24.00.

You are directed to pay the outstanding amount of your assessment by January 5, 1996. Your check or money order, payable to the Commonwealth of Pennsylvania, should be forwarded to Carmon Bass, Pennsylvania Public Utility Commission, P.O. Box 3265, Harrisburg, PA 17105-3265. Failure to make timely payment will result in the institution of an action to cancel your certificate of public convenience.

In the event that your certificate is cancelled, additional action will follow. Pursuant to 66 Pa. C.S.A. §510(c), we may request the Pennsylvania Department of Transportation to revoke the vehicle registrations of all your motor vehicles licensed in Pennsylvania. Also, we will notify the Pennsylvania Department of Revenue that you are no longer eligible for sales and use tax exemption as a common carrier under our jurisdiction. Finally, we will notify your insurance carrier that your company cannot lawfully provide service within this Commonwealth.

Thank you for your prompt payment.

Very truly yours,

Barry Ernst, Division Chief

Dear Sir/Madam:

On July 30, 2008, an enforcement officer of the Pennsylvania Public Utility Commission conducted a safety fitness review. As a result of that review, your compliance with the Commission's motor carrier safety requirements has been determined to be:

SATISFACTORY

A satisfactory review indicates that you have demonstrated at least a minimal compliance with this Commission's motor carrier safety regulations. The evaluation performed by this Commission is not a substitute for, or related in any way to, a rating issued by the Federal Highway Administration or any agency of another state.

If you have not already done so, to insure that all deficiencies identified on the Safety Fitness Review Recommendations page have been corrected, please send a letter outlining the measures taken to correct those deficiencies to the district office noted on that page. However, if no deficiencies are noted, no correspondence is required.

If you have any questions, please call this Commission's Motor Carrier Safety Office at (717) 772-2254.

Very truly yours,

James J. McNulty
Secretary
