SECRETARY'S OFFICE
Public Utility Commission

Dear Mr. Alford:

By Commission Order, at Public Meeting held December 2, 1993, in the above docketed proceeding, the Commission reinstated its Order entered August 4, 1992, which approved a transfer of operating rights to the applicant, and which subsequently was rescinded due to failure of the applicant to comply with the Commission's tariff requirements. In granting the petition for reinstatement, the Commission's Order which was entered December 2, 1993, stated that the Order was conditioned upon the applicant's maintaining appropriate evidence of insurance and with the filing of appropriate tariffs.

It is our understanding that tariff adoption supplements were filed in August, 1992, copies of which were attached to the petition to reinstate which the Commission granted. Moreover, the applicant is an existing carrier and has had evidence of insurance on file for many years. However, the Commission has not issued a letter stating that the applicant may utilize the rights it acquired in this transaction.

If there is any reason why the operating rights cannot now be utilized, please advise the undersigned. Otherwise, we respectfully request that the Commission issue its normal letter
