Re: Stream Energy Pennsylvania, LLC's Application for Reduction in Security Requirements  
and Change in Security Instruments  
Docket No. A-2010-2181867

---

Dear Secretary Chiavetta:

Pursuant to the Final Order entered July 24, 2014 at Docket No. M-2013-2392141 Stream Energy Pennsylvania, LLC ("Stream Energy") requests approval for a reduction in its required security to operate as a licensed electric generation supplier in Pennsylvania. Stream Energy also requests that it be permitted to rely upon a segregated cash account to satisfy its security requirements. Support for this application is included in the enclosed **CONFIDENTIAL** attachments. A check in the amount of \$350.00 for the application fee is also enclosed.

The reason for the claim of confidentiality is that Stream Energy Pennsylvania is a privately held company and is not subject to public reporting requirements with respect to this information, and Stream Energy Pennsylvania does not publish or otherwise make available for use by the general public or its competitors its financial, business operation or tax information. Accordingly, Stream Energy Pennsylvania respectfully requests the Commission to maintain the confidentiality of this information.

Please do not hesitate to contact me if you have any questions or need additional information.

Sincerely,

Deanne M. O'Dell  
DMO/lww
