RE: Financial Requirements

Dear Mr. Edge,

I have received your request to provide confirmation that CenterPoint Energy Services has fulfilled UGI Utilities' ("UGI") financial requirements to operate as a transporter on our distribution system. Based on our conversation, it is my understanding is that your company will provide natural gas supply to industrial and commercial customers under the UGI Delivery Service rate schedule. UGI does not require the posting of a bond or other financial requirements for marketers serving customers covered by the Delivery Service rate schedule.

Therefore, as long as your company serves only customers covered by the UGI Delivery Service rate schedule, your company has met the financial requirements of the licensing process.

Please feel free to call me at 610-796-3504 with any questions regarding this matter.

Re: Creditworthiness Requirements for PECO Energy's High Volume Transportation Program

Dear Mr. Fancher:

This letter will confirm our discussions regarding PECO Energy's creditworthiness review for high volume transportation (HVT) program suppliers.

As we discussed, in accordance with the PECO Gas Service Tariff, Rule 25, a supplier must satisfy at least one of the financial criteria listed below to participate in the HVT program:

(1) The NGS has a minimum credit rating of 3A2 from Dun & Bradstreet, a minimum bond rating of Baa2 from Moodys, or a rating of BBB from Standard & Poor's, Fitch ICBA or Duff & Phelps;

or

(2) The NGS has furnished the Company with an irrevocable and binding form of security (e.g., surety bond, letter of credit, security interest in collateral acceptable to the Company, a corporate guaranty, or a written affirmation of financial support by a parent or affiliated company) issued by an obligor that has a minimum credit rating of 3A2 from Dun & Bradstreet, a minimum bond rating of Baa2 from Moody's, a minimum bond rating of BBB from Standard & Poor's, Fitch ICBA or Duff & Phelps, or, for an insurance company, an A.M. Best credit rating of no less than A-and in which the obligor designates the Company as the sole beneficiary and which otherwise is in a form and amount acceptable to the Company;

or

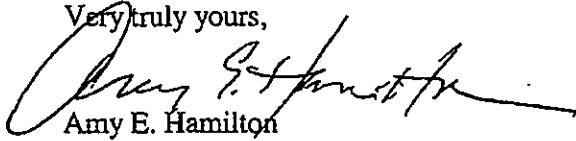

(3) The NGS provides the Company with a cash deposit and/or a cash escrow arrangement in an amount and form acceptable to the Company.

Because CenterPoint Energy Services' parent company, CenterPoint Energy Resources Corp., meets the credit rating requirements of PECO's tariff, CenterPoint Energy Services could satisfy the tariff requirements with a parental guaranty or other written affirmation of financial support from CenterPoint Energy Resources.

Dear Mr. Edge:

We are pleased that CenterPoint Energy Gas Services, Inc. ("CenterPoint") has applied for a license to provide Natural Gas Supply Service on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, CenterPoint is required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. We have determined that CenterPoint has satisfied this bonding and other financial security requirement to provide Natural Gas Supply Service to Columbia Gas customers with the parental guaranty we currently have on file.

If the creditworthiness circumstances or Columbia Gas' exposure to CenterPoint changes in the future, Columbia Gas might deem it appropriate to require CenterPoint Energy to provide a bond or other financial security instrument.

In the meantime, please feel free to contact me at 614-460-5554 if you have any questions now or in the future regarding the bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Heather Bauer
