Public Utility Commission

This broker application was the subject of a hearing on May 28, 1987. It was also the subject of my letter dated July 1, 1987, concerning cancellation of a second hearing and briefs. However, the two protests have now been withdrawn by letter of protestants' counsel dated July 1, 1987 and received July 14, 1987. Therefore, pursuant to current Commission policy, the matter is now subject to modified procedure as outlined at 52 Pa. Code §3.381(e)(1);

ACCORDINGLY, IT IS ORDERED:

That the matter is referred to the Bureau of Transportation for review and report to the Commission.
