O R D E R

BY THE COMMISSION:

By application docketed May 31, 1979, Robert E. Dicks, Sr., seeks approval of the transfer to him of all the rights granted to Alice L. Gilliland under the certificate issued at A. 91029.

We find the applicant to be fit to hold a certificate of public convenience and that approval of the application is necessary and proper for the continuation of service to the public; THEREFORE;

IT IS ORDERED: That the application for the transfer of rights held by Alice L. Gilliland at A. 91029 be approved and that a certificate be issued to the applicant granting the following rights:

1. To transport, as a Class D carrier, coal, sand, gravel, slag, limestone, amesite and cement blocks between points in the counties of Mercer, Lawrence, Venango and Butler, provided no haul shall exceed a distance of twenty-five (25) miles from point of origin to point of destination.

1. That the approval hereby given is not to be understood as committing the Commission, in any proceedings that may be brought before it for any purpose, to fix a valuation on the property and rights to be acquired by applicant from the present certificate holder equal to the consideration to be paid therefor, or equal to any value that may be placed thereon by applicant, or to approve or prescribe rates sufficient to yield a return thereon.
2. That the accounts of the transferee shall reflect the same book values as the records of the transferor at the effective date of the transfer, any previously recorded appreciation having been deleted therefrom; provided that the applicant shall not record in his utility accounts any amounts representing the rights herein granted in excess of the actual cost of such rights to the original holder thereof.
3. That the operating authority granted herein, or subsequently granted to the applicant to the extent that it is duplicative shall not be construed as conferring more than one operating right.
4. That the certificate holder shall comply with all of the provisions of the Public Utility Law as now existing or as may hereafter be amended, and Pa. Code Title 52, Chapter 31, as now existing or as may hereafter be amended, and any other rules and regulations as may hereafter be prescribed by the Commission. Failure to comply shall be sufficient cause to suspend, revoke or rescind the rights and privileges conferred by the certificate.

IT IS FURTHER ORDERED: That the applicant shall not engage in any transportation granted herein until he shall have complied with the requirements of the Pennsylvania Public Utility Law and the rules and regulations of this Commission relative to the filing and acceptance of evidence of insurance and a tariff establishing just and reasonable rates.

*C. of P.C.
