5. Approval of the Application would create new and unwarranted competition to the detriment of Protestant and other existing carriers and ultimately the public, tending to deprive Protestant and other carriers of customers and to divert revenues which are essential to the maintenance of an adequate transportation system responsive to the needs of the public.

6. Approval of the Application would be contrary to the accommodation, convenience, service and safety of the public because Protestant and other carriers are providing adequate service to the public in the areas involved in the Application.

7. Protestant will consider withdrawing its Protest in the event Applicant agrees not to provide service in the geographic area which is included in Protestant's Certificate of Public Convenience.

Respectfully submitted,

By:
