

March 26, 2014

Dear Judge Enanda Vero,

I'm writing to ask if my hearing can be rescheduled, again. On March 20, 2014 I was diagnosed with gout and fibromyalgia, and today I'm having a flare up of gout. I have it in both my feet and my (R) hand, and I don't know if the swelling and pain will be gone by the 28th of the month. Therefore I'm asking to reschedule. I couldn't ask of such a thing any earlier because I didn't have the pain, redness, and swelling then.

The Dr's name is Roberto Caricchio at Temple Hospital.

If you have any questions please feel free to call me at 267-231-7184. (Re: E-2013-2370462)

Thank you  
Lisa Jones
