

To Pa Public Utility Commission:

In regard to your letter as of June 12, 2014 I sold my truck and am no longer in business. I have retired. Docket no. C-2014-2438169. I called by phone that week and told the commission that I had done this. Please discontinue the certificate as of June 12, 2014. I cancelled the insurance after I retired. A-00119957. Thank you.
