RE: Lisa Jones v. Philadelphia Gas Works, Docket No. F- 2013 – 2370462

Dear Judge Vero:

Yesterday by FAX at 5:20 p.m., PGW received the Complainant's request for another continuance of the Initial Hearing in the above revered matter which has been re-scheduled for tomorrow March 28, 2014.

The Complainant's request is based upon a medical condition about which PGW has little information. PGW opposes the request for the continuance for the lack of this information. If the matter is to be rescheduled, however, PGW suggests that it should be scheduled for a date in the near future as a telephonic hearing so that the Complainant may participate from her home.

If you need additional information about this matter, please contact me at my direct-dial number above. Thank you.

Sincerely,

Laureto Farinas
