**PECO ENERGY COMPANY’S MOTION TO CONSOLIDATE**

Respondent, PECO Energy Company (“PECO”), pursuant to 52 Pa. Code § 5.81(a) respectfully petitions this Honorable Commission to consolidate the matters of Joseph Rebitz v. PECO Energy, the above referenced dockets because the two complaints involve similar issues of law and fact. In support of this request, PECO avers:

1. On or around September 24, 2014, PECO Energy was served by a Complaint filed by Complainant with the Pennsylvania Public Utility Commission (“PUC”) at Docket Number C-2014-2444250.

2. In the Complainant’s formal complaint, he checked the box “I would like a payment agreement”. A copy of the Complaint is attached as Exhibit “1”. Specifically, the Complaint stated:

**Past due balance of \$3,059.43 is not something low income has to just payoff. 3 children who can’t shower because of no hot water.**

3. In his request for relief, the Complaint requested:

**I would like PUC to help set up a payment agreement so I can restore my power. I had fault agreements in past I know that I lost my job, unemployment as well during those times.**

See Exhibit “1”.

4. Pursuant to 52 Pa. Code § 5.101(b), PECO timely filed an Answer to the Complaint on October 7, 2014. A copy is attached as Exhibit “2” .

5. On or about October 2, 2014, PECO was served with another Complaint from Complainant at Docket No. F-2014-2445738, which makes similar allegations in the complaint filed at Docket No. C-2014-2444250. The Complainant alleged that PECO Energy terminated his service and that he had been without power for two months. The Complainant again alleged that he has a past due balance. The Complainant stated that he was willing to pay a large sum to get back on a payment agreement. A copy is attached as Exhibit “3”. Specifically, the Complaint states:

**I have been without power for 2 months. I have 3 children. I have a past due balance which is being held against me. I’m able to start a agreement. I am willing to pay a large sum above 500.00 to start and get back on a agreement.**

6. In the Complainant’s request for relief he states:

**I would like PUC to work with me on a down payment amount I will pay to get back on a agreement with PECO/Budget Billing. Also to take in consideration I have 3 young children which this is affecting. I now can arrange and keep a arrangement for my power.**

See Exhibit “3”.

7. PECO Energy is simultaneously filing an Answer to the Complaint along with this Motion to Consolidate.

8. PECO Energy avers that the Complaints allege the same issue a “request for a payment arrangement.”

9. These Complaints should be consolidated pursuant to 52 Pa. Code § 5.81 (a), which holds:

The Commission or presiding officer, with or without motion, may order proceedings involving a common question of law or fact to be consolidated. The Commission or presiding officer may make orders concerning the conduct of the proceeding as may avoid unnecessary costs or delay.

10. Both Complaints cover the same customer, address, and contain common questions of law and fact such that one hearing covering both Complaints will avoid unnecessary costs or delay to the Commission. Each Complaint relates to the same issues and facts, whether the Complainant should receive a payment agreement.

11. Accordingly, the two Complaints should be consolidated to save the time, resources and the expense of the parties and the Commission.

**WHEREFORE**, PECO Energy Company respectfully requests that this Honorable Commission issue an Order consolidating the complaints at docket numbers F-2014-2445738 and C-2014-2444250. Both complaints were filed by the same customer and involve requests to stop termination and for a payment arrangement.

Respectfully Submitted,

Only local courts in Philadelphia County can address this type of complaint. The PUC can address a complaint about service or incorrect billing even if that amount is subject to a lien.

In addition, the PUC generally does not handle complaints about cell phone or Internet service, but may be able to resolve a dispute regarding voice communications over the Internet (including the inability to make voice 911/E911 emergency calls) or concerns about high-speed access to Internet service.

5. Requested Relief

How do you want your complaint to be resolved? Explain what you want the PUC to order the utility or company to do. Use additional paper if you need more space.

I would like PUC to help set up a payment agreement so I can restore my power.

I had fault agreements in past I know that I lost my job, unemployment as well during those times.

Note: The PUC can decide that a customer was not billed correctly and can order billing refunds. The PUC can also fine a utility or company for not following rules and can order a utility or company to correct a problem with your service. Under state law, the PUC cannot decide whether a utility or company should pay customers for loss or damages. Damage claims may be sought in an appropriate civil court.

6. Protection From Abuse (PFA)

Has a court granted a "Protection From Abuse" order that is currently in effect for your personal safety or welfare? The PUC needs this information to properly process your complaint so that your identity is not made public.

Note: You must answer this question if your complaint is against a natural gas distribution utility, an electric distribution utility or a water distribution utility AND your complaint is about a problem involving billing, a request to receive service, a security deposit request, termination of service or a request for a payment agreement.

**ANSWER OF RESPONDENT,**  
**PECO ENERGY COMPANY**

---

On September 24, 2014, PECO Energy Company ("PECO Energy") was served with a formal complaint filed by Joseph Rebitz (hereafter "Complainant") in the above captioned docket. Pursuant to 52 Pa. Code § 5.61, PECO Energy responds to the Complaint and states:

1. Admitted.
2. Admitted.
3. Admitted.
4. Unless specifically admitted herein, PECO Energy denies all material allegations of fact and conclusions of law in the instant Complaint. In his formal Complaint, the Complainant alleges that PECO Energy is threatening to terminate his service. The Complainant states that he has a past due balance of \$3,059.43 and he is low income with three children; therefore, he is unable to just pay it off. The Complainant requests a payment agreement. PECO Energy requests dismissal pursuant to 66 Pa. C.S. §1405(c).

The Complainant has an account with PECO Energy for gas and electric service at 546 Jefferson Avenue, Cheltenham, PA 19012 under account number 20490-70075. See Account Activity Statement, attached hereto as Exhibit "1". The Complainant was initially enrolled in PECO Energy's Customer Assistance Program ("CAP") on October 13, 2008 under Tier E. The Complainant recertified in the program under Tier D on July 14, 2010. The Complainant was removed from the program on January 15, 2013 for failing to recertify in the program. The Complainant was re-enrolled in CAP under Tier D on July 24, 2013. The Complainant is actively enrolled in the CAP program.

The Complainant's current balance is \$3,300.25. See Exhibit "1". The entire balance is comprised of CAP arrears. The Complainant is not entitled to a PUC ordered payment agreement on his balance as the balance is comprised of CAP arrears. 66 Pa.C.S. § 1405(c) provides that, "(c)ustomer assistance program rates shall be timely paid and shall not be the subject of payment agreements negotiated or approved by the commission." Consequently, pursuant to 66 Pa.C.S. § 1405(c), the PUC has no jurisdiction to give the Complainant a payment agreement.

5. Denied.

6. Admitted

7. Admitted.

8. PECO Energy neither admits nor denies the allegations in paragraph 8. PECO is without knowledge or information sufficient to form a belief as to the truth of this averment and, therefore, such allegation is deemed denied.

9. Paragraph 9 is a Verification and Signature to which no response is required.

10. Paragraph 10 contains information regarding Filing, to which no response is required.

**NEW MATTER OF RESPONDENT, PECO ENERGY COMPANY**

PECO Energy Company ("PECO Energy"), pursuant to 52 Pa. Code § 5.62(b), further responds to the Complaint and states:

1. The Complainant was initially enrolled in PECO Energy's Customer Assistance Program ("CAP") on October 13, 2008 under Tier E.
2. The Complainant recertified in the program under Tier D on July 14, 2010.
3. The Complainant was removed from the program on January 15, 2013 for failing to recertify in the program.
4. The Complainant was re-enrolled in CAP under Tier D on July 24, 2013.
5. The Complainant is actively enrolled in the CAP program under Tier D.
6. The Complainant's entire balance is comprised of CAP arrears.
7. The Complainant is not entitled to a PUC ordered payment agreement on this balance as it is comprised entirely of CAP arrears.
8. 66 Pa.C.S. § 1405(c) provides that, "(c)ustomer assistance program rates shall be timely paid and shall not be the subject of payment agreements negotiated or approved by the commission."
9. Consequently, pursuant to 66 Pa.C.S. § 1405(c), the PUC has no jurisdiction to give the Complainant another payment agreement on that portion of his balance.
10. PECO Energy avers that the Complainant's complaint should be dismissed pursuant to 66 Pa. C.S. § 1405(c).

**WHEREFORE**, PECO Energy Company respectfully requests that your Honorable Commission dismiss the instant Complaint.

Respectfully Submitted,

**RE: Joseph Rebitz v. PECO Energy Company**  
**PUC Docket No.: C-2014-2444250**

Dear Mr. Rebitz:

Enclosed is a copy of PECO Energy Company's response to the formal complaint filed in the above-referenced docket. The law requires PECO Energy to file an answer to your Public Utility Commission complaint. Keep these papers for your records. This is not a decision on your complaint. PECO's response may include a New Matter, Motion or Preliminary Objection. Please note that if you do not respond to a New Matter, Motion, or Preliminary Objection an unfavorable decision may be rendered against you. Responses to New Matters and Motions must be filed within 20 days. Responses to Preliminary Objections must be filed within 10 days. If there is no New Matter, Motion or Preliminary Objection included, no response is required.

Soon, the Public Utility Commission will schedule either a settlement conference or a hearing on your complaint. The Commission will let you know by mail whether there will be a conference or a hearing and will include instructions on what to do next. If the matter is set for hearing, the notice will provide you with information about the date, time and place of the hearing. If we are unable to resolve your complaint and have to proceed with a hearing, a judge will be at the hearing and will decide your complaint. You must call the Public Utility Commission if you have any questions about the hearing or if you cannot attend the hearing.

Thank you for your time and attention on this matter.

Very truly yours,

A handwritten signature in black ink, appearing to read "Shawane Lee", with a stylized flourish at the end.

4. Reason for Complaint

What kind of problem are you having with the utility or company? Check all boxes below that apply and state the reason for your complaint. If the complaint is about billing, tell us the amount you believe is not correct. Use additional paper if you need more space. Your complaint may be dismissed without a hearing if you do not provide specific information.

- The utility is threatening to shut off my service or has already shut off my service.  
*I have been without power for 2 months. I have 3 children. I have a past due balance which is being held against me. I'm able to get start a agreement. I would like a payment agreement.*
- I am willing to pay a large sum above 500.00 to start and get back on a agreement.
- Incorrect charges are on my bill. Provide dates that are important and an explanation about any amounts or charges that you believe are not correct. Attach a copy of the bill(s) in question if you have it/them.
- I am having a reliability, safety or quality problem with my utility service. Explain the problem, including dates, times or places and any other relevant details that may be important.
- Other (explain).

Note: If your complaint is only about removing or modifying a municipal lien filed by the City of Philadelphia, the Public Utility Commission (PUC) cannot address it. Only local courts in Philadelphia County can address this type of complaint. The PUC can address a complaint about service or incorrect billing even if that amount is subject to a lien.

In addition, the PUC generally does not handle complaints about cell phone or Internet service, but may be able to resolve a dispute regarding voice communications over the Internet (including the inability to make voice 911/E911 emergency calls) or concerns about high-speed access to Internet service.

5. Requested Relief

How do you want your complaint to be resolved? Explain what you want the PUC to order the utility or company to do. Use additional paper if you need more space.

I would like PUC to work with me on a down payment amount I will pay to get back on a agreement with Peco/Budget Billing. Also to take in consideration I have 3 young children which this is affecting. I now can arrange and keep a arrangement for my power.

Note: The PUC can decide that a customer was not billed correctly and can order billing refunds. The PUC can also fine a utility or company for not following rules and can order a utility or company to correct a problem with your service. Under state law, the PUC cannot decide whether a utility or company should pay customers for loss or damages. Damage claims may be sought in an appropriate civil court.

6. Protection From Abuse (PFA)

Has a court granted a "Protection From Abuse" order that is currently in effect for your personal safety or welfare? The PUC needs this information to properly process your complaint so that your identity is not made public.

**Note:** You must answer this question if your complaint is against a natural gas distribution utility, an electric distribution utility or a water distribution utility AND your complaint is about a problem involving billing, a request to receive service, a security deposit request, termination of service or a request for a payment agreement.
