AGREEMENT OF SALE

AGREEMENT made this 28th of JULY , 1988, by and between Francis J. Sullivan, Trustee of American Movers, Inc., (SELLER), and Wayne Storage Co. (BUYER).

WITNESSETH

WHEREAS, American Movers, Inc. was a motor common carrier engaged in intra-state operations pursuant to operating rights granted by the Pennsylvania Public Utility Commission ("PUC" or "COMMISSION") in Docket No. A-101732; and

WHEREAS American Movers, Inc. filed a Petition under Chapter 7 of the United States Bankruptcy Code on or about April 12, 1988; and

WHEREAS, Seller is the Trustee of American Movers, Inc., and has the authority to sell the assets of American Movers, Inc., free and clear of any and all liens, encumbrances and claims of any kind or description whatsoever; and

WHEREAS, Seller desires to sell, and Buyer desires to buy all of the PUC Rights of American Movers, Inc.

NOW THEREFORE, the parties hereto, intending to be legally bound hereby, do covenant and agree as follows:

1. Seller agrees to sell and Buyer agrees to buy, all of American Movers, Inc.'s operating rights issued by the PUC at Docket No. A-101732, and any and all folders thereunder and amendments thereto, including but not limited to Folder 1, and

Folder 1, Amendments A, B and C, which authority is described in Exhibit "A" attached hereto, and made a part hereof by reference (the "Rights"). The Rights shall be conveyed free and clear of any and all liens, claims and encumbrances of any kind or description whatsoever.

2. This Agreement shall be subject to the prior approval and authorization of the PUC. As promptly as possible after the execution of this Agreement, and not later than 30 days after the signing hereof, the Buyer shall file with the PUC an appropriate Application for permanent approval of the transfer to Buyer of the Rights (the "Permanent Application") and may file, at any time, an Application or Applications seeking emergency temporary or regular temporary authority authorizing Buyer to operate under the Rights pending final approval of the Permanent Application (the "ETA Application" and "TA Application", respectively). The parties shall cooperate in all matters relating to the completion, filing and active prosecution of the Permanent, ETA and TA Applications (collectively "Applications"). The required filing fees for the Applications shall be paid by Buyer. Each party shall be responsible for and pay any and all fees for services which may be rendered by its own attorneys, accountants or any other person in connection with assembling the information necessary for and the filing and prosecution of the Applications.

3. The purchase price for the Rights shall be the sum of Forty-Six Thousand (\$46,000.00) Dollars (the "Purchase Price").

4. The Purchase Price shall be paid as follows:

A. \$6,900.00 deposit, payable to Seller, receipt of which is hereby acknowledged by Seller, which shall be held and disbursed in accordance with the terms hereof.

B. At settlement as hereinafter provided, the sum of \$39,100.00, in cash, certified or bank cashier's check or money order.

C. All sums paid by Buyer pursuant to Paragraph 4.A. hereof shall be referred to as the "Deposit". The Deposit shall be held in escrow by the Seller in a federally insured, interest bearing money market escrow account with a bank or savings and loan association. All interest earned thereon shall accrue to the benefit of Buyer, and shall be paid at settlement hereunder. If settlement shall not occur or this Agreement is terminated hereunder for any reason other than Buyer's default, then the Deposit and all interest earned thereon shall immediately be paid over to Buyer. If this Agreement is terminated or settlement does not occur due to Buyer's default, then the Deposit, together with all interest earned on the Deposit, shall be paid immediately to Seller, and shall be retained by Seller as liquidated damages for Buyer's default hereunder.

5. In the event of a denial, as defined hereinafter, of approval of the Permanent Application by the PUC for any reason except a default in the terms of this Agreement, the parties shall be relieved of their respective obligations hereunder, the

Deposit, and all interest earned thereon, shall be returned by Seller to Buyer, and neither party shall have any claims against the other.

6. A denial of any ETA Application and/or TA Application shall not void or impair this Agreement.

7. "Approval" as used herein shall mean approval of the transaction in accordance with all of the terms of the Permanent Application as submitted by the parties to the PUC. "Denial" as used herein shall mean either outright denial of the Permanent Application, or approval of the Permanent Application with, however, a deletion of any part of the authority being conveyed hereby.

8. A "Final Order" of the Commission shall be construed as being an order which is not subject to petition for reconsideration and which, by its terms, or otherwise, shall have become final and effective under law, and is appealable only to a court.

9. If, by an order, the Commission denies the Permanent Application herein, or approves it with a modification or restriction amounting to a denial as defined hereinabove, the parties, or either of them, may, but need not, appeal said order to the highest administrative level. The party choosing to take such an appeal shall pay the costs thereof, and the other party shall cooperate therein. There shall be no obligation, however, on the part of a party to appeal beyond the PUC to a court, and such appeal may be prosecuted only with the consent of both parties.

10. Because of American Movers, Inc.'s cessation of operations, the parties recognize that there may be an immediate and urgent need for Buyer to commence operations, so as to assure a continuous service to the public under the Rights. Accordingly, the parties shall cooperate fully so as to enable Buyer, if it so chooses, to assemble, file and prosecute the ETA Application and TA Application. Said cooperation shall include, but not be limited to, issuing and executing Affidavits in support of Buyer's ETA Application and TA Application, if any.

11. In the event the PUC requires the parties hereto, as a condition of transferring the Rights, to make any payment to the PUC in connection with or arising out of any failure on the part of American Movers, Inc. or the Trustee to file any document or take any action required by the PUC to have been filed or taken, Buyer shall make such payment to the PUC at Buyer's sole cost and expense, without abatement of the Purchase Price.

12. Seller and Buyer each warrants to the other that it has not engaged the services of a broker in connection with this transaction and each agrees to indemnify, defend and hold harmless the other from and against any and all claims, demands or suits made upon or brought against the other (including reasonable attorneys' fees and costs of defense) arising out of the breach of this warranty.

13. Settlement shall be conducted by United States Mail by the Buyer furnishing the Seller with the balance of the Purchase Price. Said payment shall be mailed to Seller not later than

five (5) days after Buyer's receipt from the Seller of tariff adoption supplements signed by Seller in compliance with the Final Order of the PUC granting the Permanent Application. Buyer's obligation to close hereunder is contingent upon Seller having executed such tariff adoption supplements and other documents as the PUC may require in order to enable Buyer to timely comply with any order of the PUC authorizing the transfer of the Rights. In the event Seller fails to cooperate in this regard, Buyer may, at its option, terminate this Agreement, and thereupon the Deposit, and all interest earned thereon, shall forthwith be returned to Buyer and thereafter this Agreement shall be null and void.

14. The parties acknowledge that the PUC has caused to be issued an Order to Show Cause why the Rights should not be cancelled due to the Debtor's failure to take actions required of it. The parties agree to use their best efforts to maintain the Rights in full force and effect so that the transaction contemplated herein can be consummated in accordance with its terms. In the event that the Rights are cancelled, such that approval of this transaction by the PUC is not obtained, the Deposit, and all interest earned thereon, shall forthwith be returned to Buyer.

15. All notices respecting this matter shall be addressed to Buyer, c/o Barry D. Kleban, Esquire, 1900 Two Penn Center Plaza, Philadelphia, PA 19102, and to Seller, c/o Michael H. Kaliner, Esquire, 312 Oxford Valley Road, Fairless Hills, PA 19030.

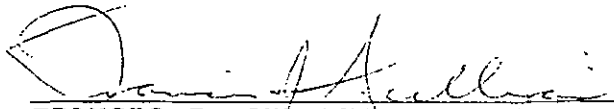

16. This Agreement is binding upon the parties hereto, their heirs, successors and assigns.

17. This Agreement shall be governed by and interpreted in accordance with the laws of the Commonwealth of Pennsylvania applicable to contracts executed and wholly-performed within such state.

18. This Agreement contains the entire agreement between the parties concerning the subject hereof and may not be amended, supplemented or discharged, and no provisions hereof or thereof may be modified or waived, except expressly by an instrument in writing signed by the party thereby affected.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement in triplicate on the day and year first above written.

The application as filed requested authority between points in the township of Newton, Delaware County and no such township can be found or is listed on any map or atlas. We determine that this was a typographical error when the applicant filed the instant application and that the correct geographical name should be the township of Newtown, Delaware County*. The grant of authority issued will reflect this fact and show the correct name of the township.

We find that:

1. The applicant possesses the necessary equipment and experience to provide the proposed transportation.
2. The applicant has demonstrated that a need exists for the proposed service.
3. That approval of the application will be an accommodation and convenience to the public; THEREFORE,
