Dear Ms. Chiavetta,

With reference to my withdrawing my formal complaint to the proposed rate increase in our electricity bills: unfortunately I had not written down all of the instructions that you yourself had given me when you had kindly called me last week at 724-482-4688. I had, however, made a note of the reference number you had given me. I called your office this morning and spoke with another lady there.

The lady I spoke to today did repeat those instructions. She told me that, in order to withdraw my Formal Complaint to Proposed Rate Increase, I should write to you formally stating that I do indeed wish to withdraw my Formal Complaint, and to quote the number:

C -2014-2444152

Yes, I do formally wish to withdraw from my Formal Complaint to Proposed Rate Increase.

Thank you for your patience,

Yours sincerely,

James A. Schoenecker
(Informally, I'm still not happy....)
