Exceptions

RE Lombard v. PECO Energy . C-2014-2416855

Your Honorable Judge Darlene D. Heep,

I have received the Initial Decision of the Office of Administrative Law Judge and therefore file the Exceptions to the case C-2014-2416855.

My reason for the exceptions would be exhibit C1 (medical bills), which I consider an extreme hardship for the family. If those unexpected medical bills would not have occurred , I would have been able to continue with the payment plan.

I also have enclosed a copy of my last Peco bill. I have paid \$ 136.82 on my last statement, however \$ 84.02 is a late payment charge. I would like to ask the commission if Peco could wave the late payment charges on my bill.
