Dear Mr. Miller:

We are in receipt of your correspondence dated December 30, 1988, returning the application which we filed on behalf of Central Control Delivery, Inc. As we discussed, prior to filing the application, we forwarded to the Pennsylvania Corporation Bureau the Application for a Certificate of Authority to authorize Central Delivery to operate in Pennsylvania as a foreign business corporation. We understand that this filing was received by the Corporation Bureau on October 19, 1988. Apparently, the Corporation Bureau mistakenly sent the Certificate of Authority to our client about one week ago instead of sending it to me. As a result, I previously did not have confirmation that the registration had been made. However, I am enclosing a copy of the Certificate of Authority, dated September 23, 1988, which certifies that our client is authorized to do business in Pennsylvania.

I am also returning to you the PUC application and filing fee. I understand that you will proceed to process this application for publication in the Pennsylvania Bulletin. I would very much appreciate you giving this matter your immediate attention since we originally filed the application approximately two months ago.

Thank you for your cooperation and consideration in this matter.

Very truly yours,

WICK, STREIFF, MEYER, METZ & O'BOYLE
