RE: *Filed Exceptions 10/27/2014*

I offer my apology for the timeliness of my filed exceptions, and request that my filed exceptions be accepted, please. The Final decision information did not reach me until October 16, 2014. I tried to honor the 10 days rule with the response from the time I actually received the decision.

Respectfully,

Ernestine C. Crankfield

C: Secretary of the Commission
