Re: Certified Letter Dated 10-20-89

Dear Mr. Rich,

Please reinstate our application for the transfer of the P.U.C. number. We were unaware that the insurance filings were not complete. We have contacted our insurance carrier and they are in the process of completing these filings.

We thank you in advance for anything that you can do to reinstate this certificate.

Application of A.R. OLIASTRO, INC., a corporation of the Comm. of PA

To Whom It May Concern:

The Commission's records indicate that you have failed to comply within sixty(60) days, the necessary requirements of the Commission's order and cover letter which was sent to you on May 18, 1989. The grant of your certificate was expressly subject to the fulfilling of the requirements of the order. Specifically, you have failed to satisfy the requirements marked below:

- File a certificate of public liability and property damage insurance (Form E).
- File a cargo insurance certificate in the amount of \$5,000 per vehicle (Form H) or a cargo waiver.
- File an acceptable tariff.

Since you have not complied with the marked requirement(s), your application for a certificate of public convenience is hereby dismissed.

Since you do not have a certificate of public convenience, any operation as a motor carrier in intrastate commerce is a violation of the Public Utility Code, 66 Pa. C.S. §101 et seq, and will subject you to the penalties contained therein.

Very truly yours,

*Jermy Rich*
