David H. Radcliff for the applicant.

O R D E R

BY THE COMMISSION:

This matter comes before the Commission on an application filed January 20, 1989. Public notice of the application was given in the Pennsylvania Bulletin of February 18, 1989. The unopposed application is certified to the Commission for its decision without oral hearing.

The partnership of David Caruso and Joseph Caruso seeks to incorporate under Ace Moving and Storage Corporation which is a Pennsylvania corporation formed January 26, 1987. The applicant corporation is equally owned by David A. Caruso and Joseph Caruso with each holding 100 shares of stock. The applicant will continue to operate from facilities at 830 East Main Street, Larksville, Luzerne County. The applicant has a fleet of equipment appropriate to provide service and the necessary accessorial items with which to move household goods and office furnishings.

The total consideration for the rights is \$1.00. No tangible assets assigned value are involved. The consideration of \$1.00 has been paid.

A review of the record before us indicates that the applicant possesses the requisite experience, equipment and financial capacity to provide the proposed service.

The authority to be transferred has been operated by the transferor, therefore, it is presumed that there is a continuing public need, which may be overcome only by evidence to the contrary. In re: Byerly, 440 Pa. 521 (1970); Hostetter v. Pa. P.U.C., 160 Super. Ct. 94 (1947). Since the record is void of any such evidence, this presumption of continuing public need applies in this transfer proceeding.

We find:

1. The applicant is fit, willing and able to provide the service proposed.
2. Transfer of the authority is in the public interest and is necessary for the continued accommodation and convenience of the public; THEREFORE,

IT IS ORDERED: That the transfer application be and is hereby approved and that a certificate be issued granting the following rights:

1. To transport, as a Class D carrier, household goods in use, between points in the city of Wilkes-Barre, Luzerne County, and within three (3) miles of the limits of the said city.
2. To transport, as a Class D carrier, household goods in use from points in the city of Wilkes-Barre, Luzerne County, and within three (3) miles of the limits of the said city to other points in Pennsylvania, and vice versa.

Rights 1 and 2 above subject to the following condition:

That no right, power or privilege is granted to transport household goods in use from, to or between points in the city of Nanticoke, Luzerne County, and within five (5) miles by the usually traveled highways of the limits of said city.

3. To transport, as a Class D carrier, household goods and office furniture in use, between points in the city of Wilkes-Barre, Luzerne County, and within ten (10) miles by the usually traveled highways of the limits of said city, provided no haul shall exceed a distance of ten (10) miles from point of origin to point of destination.

Right no. 3 subject to the following condition:

That no right, power or privilege is granted to transport household goods in use, from, to or between points in the city of Nanticoke, Luzerne County, and within five (5) miles by the usually traveled highways of the limits of said city.

That no right, power or privilege is granted to transport household goods in use, from, to or between points in the city of Scranton, Lackawanna County, and within three (3) miles of the limits of said city.

subject to the following general conditions:

1. That the approval hereby given is not to be understood as committing the Commission, in any proceedings that may be brought before it for any purpose, to fix a valuation on the property and rights to be acquired by applicant from the present certificate holder equal to the consideration to be paid therefor, or equal to any value that may be placed thereon by applicant, or to approve or prescribe rates sufficient to yield a return thereon.
2. That applicant shall not record in its utility accounts any amount representing the rights herein granted in excess of the actual cost of such rights to the original holder thereof.
3. That the applicant charge to Account 1550, Other Intangible Property, \$1.00, being the amount of the consideration payable by it for the rights and going concern value attributable thereto; less any amount recorded under condition 2 above; and subject to further adjustment due to any normal interim transactions to the date of actual transfer.
4. That the accounts of the transferee shall reflect the same book values as the records of the transferor at the effective date of the transfer, any previously recorded appreciation having been deleted therefrom; provided that the applicant shall not record in its utility accounts any amounts representing the rights herein granted in excess of the actual cost of such rights to the original holder thereof.

5. That the operating authority granted herein, or now held or subsequently granted to the applicant to the extent that it is duplicative shall not be construed as conferring more than one operating right.
6. That the certificate/permit holder shall not transfer, sell or in any way convey any of its outstanding capital stock to any individual, partnership, corporation or any entity, without the prior filing of an application and approval thereof by the Commission under 66 PA C.S.A. §1102(a)(3).

IT IS FURTHER ORDERED: That the applicant shall not engage in any transportation granted herein until it has complied with the requirements of the Pennsylvania Public Utility Code and the rules and regulations of this Commission relative to the filing and acceptance of evidence of insurance and a tariff establishing just and reasonable rates.

IT IS FURTHER ORDERED: That issuance of the certificate be withheld pending receipt of the 1988 Annual Report of the transferor.

IT IS FURTHER ORDERED: That upon compliance with the requirements above set forth, a certificate issue evidencing the Commission's approval of the right to operate as above-determined.

IT IS FURTHER ORDERED: That in the event said applicant has not, on or before sixty (60) days from the date of the service of this order, complied with the requirements hereinbefore set forth, the application shall be dismissed without further proceedings.

IT IS FURTHER ORDERED: That upon compliance with this order, the rights granted the transferor, David Caruso and Joseph Caruso, copartners, at A-00104894 be cancelled and the record be marked closed.

BY THE COMMISSION,

Jerry Rich
Secretary
