Dear Sir or madam,

Pursuant to Docket No. M-2013-2393141, TriEagle Energy respectfully submits the attached documentation for review and requests that its bond/security amount be adjusted to an amount equal to 5% of its most recent 12 months of revenue (see exhibit A). TriEagle Energy has been a licensed Electric Generation Supplier in the state of Pennsylvania since November 2010. As an EGS, TriEagle's current letter of credit amount is equal to 10% of its annual gross revenues (see exhibit C). TriEagle has paid its Gross Receipts Tax (GRT) obligations in a timely manner since beginning operations in Pennsylvania (see exhibit A). TriEagle Energy has attached all historical GRT filings along with the associated payment documentation.

TriEagle Energy's PA PUC letter of credit (exhibit C) is issued by Sumitomo Corporation of America (SCOA). SCOA's long term bond ratings meet the criteria stipulated in M-2013-2393141 (see exhibit D). Additionally, TriEagle has managed its AEPS requirements in a timely fashion since inception (see exhibit B).

Confirming the accuracy in this request of the documents and their contents, TriEagle has included an affidavit from Rob Cantrell, TriEagle's COO. If the Bureau finds a need for more information, please contact TriEagle Energy's Regulatory Analyst, Lindsey Lockhart at 281-882-8731 or llockhart@trieagleenergy.com.

Best Regards,

Rob Brown
