Dear Stephen,

National Fuel Gas Distribution Corporation ("NFGDC") is aware Eservices, Inc, dba Energy Advisory Service, LLC (EAS) has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, EAS must furnish acceptable security to each utility where EAS will do business. As such, under its tariff, NFGDC could require EAS to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC's understanding that EAS intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, EAS will never take title to any delivered natural gas.

Based upon your representations, NFGDC has determined that, at this time, EAS does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by EAS change in the future, NFGDC reserves the right to require security from EAS as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 716-857-7599.

Yours truly,

Nathan E. Barnes

Dear Mr. Gunther:

We are pleased that Eservices, Inc. dba Energy Advisory Service, LLC has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Energy Advisory Service, LLC could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Energy Advisory Service, LLC has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Energy Advisory Service, LLC does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Energy Advisory Service, LLC changes in the future, Columbia Gas might deem it appropriate to require Energy Advisory Service, LLC to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-4881 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

RE: Energy Advisory Service, LLC. Natural Gas Aggregator Application

Mr. Gunther,

UGI Utilities, Inc. ("UGIU") has reviewed the financial information for Escervices, Inc. dba Energy Advisory Service, LLC. ("Energy Advisory Service"). Based on this review and the requirement that Energy Advisory Service must post security as specified in the UGI Gas ("UGI"), UGI Penn Natural Gas ("PNG") and/or UGI Central Penn Gas ("CPG") Supplier Coordination Tariffs before it serves customers as an Aggregator on the UGI, PNG and/or CPG distribution systems, UGIU has determined that Energy Advisory Service has demonstrated adequate creditworthiness to satisfy any costs UGI, PNG and/or CPG may incur in the event they operate as a supplier of last resort due to a default on the part of Energy Advisory Service.

This determination may change in the event there is a material deterioration in that condition, if Energy Advisory Service's obligations to UGI, PNG and/or CPG exceed the amount of the financial security provided, if the financial security is withdrawn or is deemed to be null and void or inadequate due to the material financial deterioration of any guarantor, or if Energy Advisory Service fails to abide by the terms and conditions of the UGI, PNG and/or CPG Gas Tariffs and the UGI, PNG and/or CPG Natural Gas Supplier Coordination Tariffs.

Please feel free to contact me with any additional questions that you may have. I can be reached at (610) 796-3520
