PILOT RIDER NAS - NEW AREA SERVICE

(C)

APPLICABILITY

Throughout the Company's service territory for any residential applicant seeking natural gas distribution service or commercial and industrial applicants so long as the intent of the service is residential customer service.

AVAILABILITY

Available to any residential applicant or bona fide developer (as defined below) who would be required to provide a deposit under Rule No. 8 – Extensions of the Company's tariff for an extension of the Company's distribution facilities.

Pilot Rider NAS will close for new participation on November 7, 2018 unless an extension is approved by the Commission.

INFORMATION PROVIDED TO INTERESTED NAS APPLICANT

The Company will provide the following information in writing to any applicant considering the Pilot Rider NAS:

- a. Up front amount due;
- b. Interest rate (cost of credit);
- c. Finance charge (estimated total amount of interest payments over twenty years);
- d. Total payments (estimated total amount of principal and interest paid over twenty years);
- e. Total number of payments;
- f. Monthly payment amount;
- g. Comparison of total Pilot Rider NAS payments to total cost of upfront deposit absent Pilot Rider NAS; and
- h. The Pilot Rider NAS balance may be paid off at any time without penalty.

CHARACTER OF RATE

This Pilot Rider NAS has been established to provide applicants with an alternative way of paying the deposit required by Rule No. 8 - Extensions of the Company's tariff when an extension of the Company's distribution facilities is not economically feasible based on the anticipated gas requirements. Pilot Rider NAS may be used on a stand-alone basis, or in conjunction with a deposit, in order to eliminate or reduce the amount of the deposit required under Rule No. 8 - Extensions of the Company's tariff. The Pilot Rider NAS will be a flat charge per bill. The Pilot Rider NAS charge shall be calculated separately for each distribution extension project and the charge shall be based on the cost of that particular distribution extension project. The Pilot Rider NAS charge shall be calculated as described below for each customer served from that particular distribution extension project. In any year the Company will not place an amount greater than \$1,000,000 into this rate rider.

RATE

This rate rider shall be calculated based on the applicant(s)'s Deposit Amount and spread over a period of 20 years.

(C)

CALCULATION OF RATE

Pilot Rider NAS will use the Company's Capital Expenditure Policy to determine the economically unjustified portion of a distribution facility extension project as described in Rule No. 8 - Extensions of the Company's tariff. The Deposit Amount shall be assessed to the applicant using the following calculations:

Residential Distribution Service

When, pursuant to Rule No. 8 - Extensions of the Company's tariff, an applicant is required to provide a refundable cash deposit to the Company equal to the difference between the minimum capital investment required to serve the applicant(s)'s gas requirements and the amount of capital that the Company can justify investing in the project based on the anticipated gas requirements of the applicant(s) and potential future load, the Company shall have the option of allowing the applicant(s) to pay the Deposit Amount over a period of 20 years ("New Area Service Charge"). The 20 year period shall start with the first bill after the first meter is set. The New Area Service Charge shall appear as a monthly charge on the customer's bill and shall be equal to 1/240 of the difference between the minimum capital investment required to serve the applicant(s)'s gas requirements and the amount of capital that the Company can justify investing in the project, plus interest equal to the weighted average cost of capital as approved in the Company's most recent rate case at the time the meter is set. The minimum capital investment shall include: 1) the cost to extend the distribution service main; 2) the cost of the meter(s); 3) the cost of regulating equipment; and 4) the cost of service lines where applicable.

The New Area Service Charge shall be assessed to all customers taking residential natural gas distribution service from the distribution facility extension at any time during the 20 year period.

The maximum New Area Service Charge per month per each residential customer shall be no more than \$35 per month.

In the event that multiple residential service applicants shall be served through the extension of the Company's distribution facilities, each applicant will be assessed an equal portion of the New Area Service Charge.

The customer shall retain the right to pay the remaining balance of the New Area Service Charge at any point in time during the 20 year payback period.

BONA FIDE DEVELOPER

A bona fide developer is a developer of residential dwellings, developing an area where Columbia does not currently provide service and requests to obtain gas service. The bona fide developer must enter into an agreement with Columbia that requires the developer to notify the purchaser about the Pilot Rider NAS charge before the sale of the residential property occurs.

Prior to the sale of the residential property, the bona fide developer will obtain the signature of the person purchasing the residential lot on a standardized form developed by the Company. The form will contain the:

- a. Interest rate (cost of credit);
- b. Finance charge (estimated total amount of interest payments over twenty years)
- c. Total payments (estimated total amount of principal and interest paid over twenty years);
- d. Total number of payments;
- e. Monthly payment amount; and
- f. Pilot Rider NAS balance may be paid off at any time without penalty.

(C)

PERIODIC ADJUSTMENTS

The Company shall retain the right to adjust customers' deposit in the event that additional meters are added to the distribution facility extension. These adjustments shall only cause decreases in the 20 year payback period.

ADDITIONAL CREDITS

The Company shall retain the right to apply credits, at its sole discretion, to the New Area Service Charge thereby reducing the total amount owed by the Customer during the 20 year period.

TERMS OF PAYMENT

If the customer fails to pay the full amount of any bill a delayed payment penalty charge of one and one-quarter percent (1 1/4%) per month will accrue on the portion of the bill that is unpaid on the due date. The delayed payment penalty charge will not count as money paid towards the Deposit Amount due for any reconciliation period.
