Re: William L. Snyder v West Penn Power Co.
Complaint Docket No. C 2014-2445919

Dear Secretary Chiavetta!

ON October 14, 2014 I received a letter from John L. Munsch Attorney stating that I had acknowledged to West Penn Representatives that I no longer wish to pursue complaint. This statement is and absolute lie. First of all there were no representatives only one man Jeff Eicher TUM Specialist he review with me what he wanted to do on there Right of Way. I can not stop them from work on there Right of Way and Agreed to allow them access on my Property to do this work. I signed a paper copy enclosed with Detailed the scope of the work. I also ask why They did not contact me before work was done since I had requested it and he was at a loss for answer. As of this time I do not feel the problem has been Addressed By West Penn.
