Thank you for your notification in naming Winona Lakes Property Owners Association as a formal party to the hearings to be held in regard to the proposed Met-Ed rate increase. I have spoken with Darryl Lawrence of the Office of the Consumer Advocates Office and he has advised me of the requirements for sufficient capacity and handicap accessibility. Our clubhouse probably would not qualify however a neighboring homeowners association, Saw Creek Estates has very graciously offered the use of their indoor tennis court facility. This facility was used for this same purpose about four years ago for a hearing involving Pennsylvania American Water.

We would strongly prefer a weekend date, as well as an early evening time, for the hearing as many of our residents work during the day and commute to New York and New Jersey.

We would like to request any of the following dates and times if at all possible:

- October 25, 2014
- October 26, 2014
- November 01, 2014
- November 02, 2014
- November 08, 2014
- November 09, 2014
