Re: Rosella Ellison v. PGW, Docket No. F – 2014 – 2449974

Dear Secretary Chiavetta:

Pursuant to 52 Pa. Code §5.101, the Philadelphia Gas Works ("PGW") hereby files the original of its Preliminary Objections to the Complaint in the above captioned matter.

If additional information is required, please do not hesitate to contact the undersigned. Thank you for your assistance in the matter.

Sincerely,

A handwritten signature in blue ink that reads "Danielle Leva". The signature is written in a cursive, flowing style.

Docket No. F – 2014 – 2449974

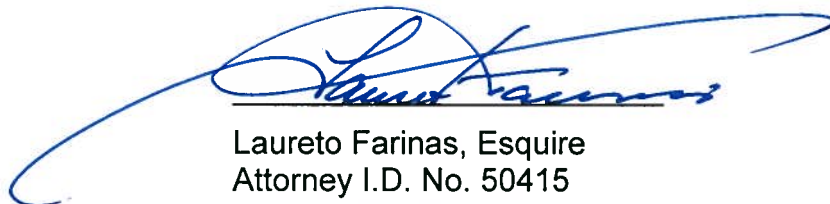

NOTICE TO PLEAD

To: Rosella Ellison, Complainant

Pursuant to 52 Pa. Code §5.101, you are hereby notified to file a written response to the enclosed Preliminary Objection and Motion to Strike, within ten (10) days from service hereof or you may be deemed to be in default and relevant facts stated in these pleadings may be deemed admitted and a judgment may be entered against you.

Respectfully submitted,

November 17, 2014

**BEFORE THE
PENNSYLVANIA PUBLIC UTILITY COMMISSION**

Rosella Ellison

v.

Philadelphia Gas Works

:
:
:
:
:

Docket No. F – 2014 – 2449974

**Philadelphia Gas Works
Preliminary Objections and Motion to Strike**

Pursuant to 52 Pa. Code §5.101, the Philadelphia Gas Works (“PGW”) hereby files its Preliminary Objections to the Complaint filed in the above captioned matter on the grounds that the Commission lacks jurisdiction over the subject matter of the Complaint, and that the Complaint includes impertinent matter in its requested relief to remove (or forbear collection of) the lien, and moves to strike the requested relief as “impertinent matter” pursuant to 52 Pa. Code §§5.101(a)(1) and (2).

In support of its preliminary objection and motion to strike, PGW hereby avers the following:

1. On or about October 17, 2014, the Complainant filed a formal complaint against PGW with the Commission under the above captioned matter, regarding unpaid debt for gas service at 402 W. Cheltenham Avenue, B, Philadelphia, Pennsylvania (Subject Property).

2. The Complainant avers that the former tenant, Anthony Collins, should be held responsible for the lien because the Subject Property was enrolled in LCP. By way of further, the Subject Property was marked as “uncooperative” in that program as of May 27, 2010, therefore, the Subject Property was not actively enrolled in LCP.

3. For the period from July 2011 through September 2012, Al-Mu’minun Tutoring Services was the PGW customer of record at the Subject Property and owed \$1,699.64 for unpaid gas service to the Subject Property.

4. Pursuant to the Municipal Claim and Tax Lien Law, Act 153 of 1923, P.L. 207 53 P.S. §7101, et seq. (Municipal Lien Act), the City of

Philadelphia as owner of PGW has the right to collect on municipal claims owed to PGW for gas service to a Service Address.

5. The Complainant requests relief in the form of a Commission order to PGW to remove the liens.

6. Under the Commission's Rules of Administrative Practice and Procedure at 52 Pa. Code §5.101, the treatment of preliminary objections is comparable to that of Pennsylvania civil practice. (See: Order Sustaining Preliminary Objection in *Paul W. Fricker v. PECO Energy Company*, Docket No. C-2009-2094757 (May 21, 2009))

The Commission's regulations provide, in relevant part:

(a) *Grounds.* Preliminary objections are available to parties and may be filed in response to a pleading except motions and prior preliminary objections. Preliminary objections...must state specifically the legal and factual grounds relied upon and be limited to the following:

(1) Lack of Commission jurisdiction or improper service of the pleading initiating the proceeding.

(2) Failure of a pleading to conform to this chapter or the inclusion of scandalous or impertinent matter.

52 Pa. Code §5.101(a) (2)¹

7. Pursuant to the Natural Gas Choice and Competition Act, 66 Pa. C.S.A Section 2201 et seq., section 2212(n), which specifically provides, "Nothing contained in this title shall abrogate the power of a city natural gas distribution operation to collect delinquent receivables through the imposition of liens pursuant to section 3 of the act of May 16, 1923 (P.L. 207, No. 153), referred to as the Municipal Claim and Tax Lien Law, or otherwise. Thus, under 66 Pa. C.S.A Section 2212(n), the Commission has no jurisdiction over the filing of such a lien."²

¹ 52 Pa. Code §5.101(a) (2) emphasis added.

² 52 Pa. Code §5.101(a) (1)

8. The Commission has repeatedly recognized its lack of subject matter jurisdiction in cases involving a dispute over a municipal lien placed upon a property. *Cornelia Strowder v. Philadelphia Gas Works*, 2002 WL 32069511 (2002), *Debra Williams Lawrence v. Philadelphia Gas Works*, Docket Number C-20066672 (Final Order entered January 22, 2007), *Tina L. Francis-Young v. Philadelphia Gas Works*, Docket Number C-2008-2029672, (Final Order entered February 23, 2009), *Dung Phat, LLC v. Philadelphia Gas Works*, Docket Number C-2009-2135667, (Final Order entered January 13, 2010), *Nathaniel Lewis Mooney v. PGW*, Docket No. C-2009-2134673, (Final Opinion and Order entered January 13, 2010), *David Golan v. Philadelphia Gas Works*, Docket Number C-2009-2138115, (Final Order entered February 4, 2010), *2020 West Passyunk Avenue Inc. v. Philadelphia Gas Works*, Docket Number C-2009-2138727, (Final Order entered February 4, 2010), *Jean Charles v. Philadelphia Gas Works*, Docket Number C-2009-2138638, (Final Order entered February 5, 2010), *Agron Vata v. Philadelphia Gas Works*, Docket No. C-2009-2149960 (Final Order entered August 24, 2010), *William Petravich v. Philadelphia Gas Works*, Docket No. C-2010-2188984, (Final Opinion and Order entered February 10, 2011), *Avner and Gail Yamin v. Philadelphia Gas Works*, Docket No. C-2011-2221883, (Final Order entered June 29, 2011), *Ardelle Jackson v. Philadelphia Gas Works*, Docket No. C-2009-2119940 (Final Opinion and Order entered July 1, 2011), *Larry and Gail Newman v. Philadelphia Gas Works*, C-2011-2273565 (Final Opinion and Order issued March 29, 2012)

9. Pursuant to the Responsible Utility Customer Protection Act at 66 Pa. Cons. Stat. § 1414, which states: “[a] city natural gas distribution operation furnishing gas service to a property is entitled to impose or assess a municipal claim against the property and file as liens of record claims for unpaid natural gas distribution service and other related costs, including natural gas supply . . .,” clarifies and confirms such rights to impose a lien.

10. The nature of a lien is such that it encumbers the real estate, regardless who caused the event, which results in the imposition of a municipal claim. PGW may collect as a municipal claim, unpaid debt for gas service

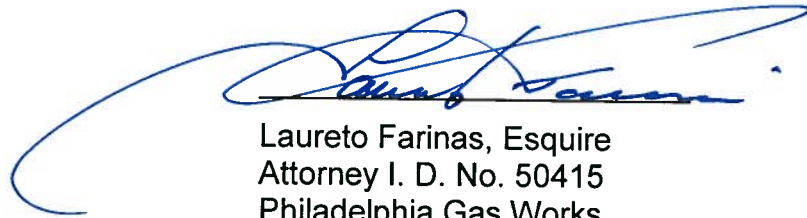

rendered, even when the gas service was not rendered to the owner of the property. *Newberry Township v. Ray Stambaugh*, 848 A.2d 173; (Pa. Cmwlth. 2000)

11. As the Commission is without jurisdiction to decide on matters involving the imposition of the municipal lien, the Complainant's request for relief is "impertinent matter" within the use and meaning of 52 Pa. Code §5.101(a) (2) and, should be stricken from the Complaint.³

Wherefore, PGW respectfully requests that this Commission sustain PGW's preliminary objections to the Complaint and dismiss the Complaint for lack of jurisdiction and strike off the requested relief as impertinent matter.

Respectfully submitted,
