5. Attach the following, as appropriate (check those attached):

- Exhibit A: A statement of the right or rights to be abandoned or discontinued (required for partial abandonments or discontinuances only).
- Exhibit B: A statement of the revenues and expenses associated with the operation of the service to be discontinued or abandoned.
- Exhibit C: For motor carriers of passengers seeking to discontinue service over any scheduled route also encompassed by interstate operating authority, a statement containing:
 - i. Description of interstate authority;
 - ii. Statement of the extent to which interstate and intrastate revenues received for the service sought to be abandoned are less than the variable costs of providing that service, including depreciation for revenue equipment. This statement shall include a designation of those items claimed to be variable costs; and
 - iii. An estimate of the annual subsidy required, if any, to continue the service.

6. Approval of the application is necessary or proper for the following reasons:

Low or no ridership has forced our company to close the doors on passenger service. Our failure to meet high insurance requirements for County of Venango transit bid this year has been a main factor as well.

Wherefore, Applicant requests the Commission to cancel, or amend the certificate of public convenience, as now held, in conformance with the application.
