PA PUBLIC UTILITY COMMISSION
Regarding the Data Request received on October 3, 2014 (copy attached), responses are provided below for each request.

- 1) Why does the LLC have no officers? Who signs the documents for the LLC?

Accenture LLC is a Delaware LLC. Delaware law provides that an LLC may be "manager managed" (i.e. individuals) or "member managed" (i.e. entities) as is Accenture LLC.

- 2) If you are just going to list the Inc. and LLC on the Tax Certification Statement, you need to include their EIN #s.

Accenture Inc. FEIN: 52-2330726
Accenture LLC FEIN: 36-4467428

- 3) Are you an officer for LLC? Are you an officer of the LLC? Or are you outside counsel?

I am in house counsel for Accenture LLP, though not an officer.

- 4) Does Cobb Pearson or Chad Gottesman work for the Inc., LLC or LLP? What is their relationship to the LLP? Why aren't they listed as officers?

Cobb Pearson and Chad Gottesman are employed by Accenture LLP, as are nearly all of Accenture's U.S. personnel. They are not listed as officers because Accenture LLP, as a limited liability partnership, does not have officers. However, Mr. Gottesman is a Managing Director, which in the Accenture organization is comparable to a vice president in corporate entities.

Mr. Gottesman and Mr. Pearson are two of the people most closely associated with the operations of Accenture's line of business for which we are applying for the Pennsylvania EGS license.

- 5) We need a document that lists everyone who is responsible for the day to day business of the Inc., LLC and LLP. And their time allocation.

Accenture Inc. and Accenture LLC are the two partners of applicant Accenture LLP, but are effectively holding companies, having no employees or client agreements. Consequently there are no "day-to-day" operations for those two entities.

Accenture LLP provides a broad range of management consulting, technology and outsourcing services in the United States. The services for which we are applying for the Pennsylvania EGS license are a part of the Enterprise Energy Management & Procurement services line of business of the applicant. Messrs. Gottesman, Culver and Pearson (listed in the attachment to Section 8 of the applicant's EGS license application) are all dedicated 100% to the Enterprise Energy Management & Procurement line of business. Mr. Gottesman is the senior-most person responsible for day-to-day operations of that line of business.

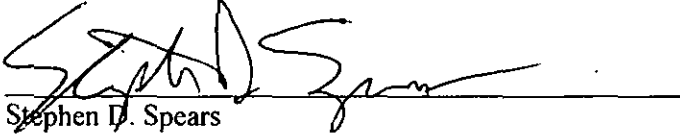

- 6) Is there an agreement for staff for the LLP? Are their agreements that show the responsibilities of the staff of the Inc., LLP and LLC?

As noted above, Accenture Inc. and Accenture LLC have no employees and so there are no staff agreements, nor is there an agreement defining the responsibilities of staff among the three entities.

7) We need evidence/proof of the people responsible for the LLP.

See Exhibit A to this Reply to Data Request, affidavit of Chad Gottesman regarding his responsibilities as the lead executive for the applicant's Enterprise Energy Management & Procurement line of business, which includes the services for which Accenture LLP is applying to obtain a Pennsylvania EGS license.

I, Stephen D. Spears, Senior Offerings Counsel for Accenture LLP, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa. C.S. § 4904 (relating to unsworn falsification to authorities).
