Dear Mr. McNulty:

Enclosed please find an original and three (3) true and correct copies of the Joint Filing of Verizon North Inc. and Southwestern Bell Communications, Inc. d/b/a SBC Long Distance, of Adoption of an Interconnection Agreement. The Interconnection Agreement adopted is the Interconnection Agreement between Verizon North Inc. and Cornerstone Telephone Company, LLC, which the Commission approved by Order dated August 6, 2004 in Docket No. A-311316. Although the Adoption was effective October 7, 2004, the Adoption letter was signed by the two parties' signers on October 18, 2004 and October 25, 2004 respectively. Thus, this Joint Filing is being made within 30 days of the day that the agreement, in this case the adoption letter, was signed, as required by ordering Paragraph 5 of the Commission's May 3, 2004 Final Order in Docket No. M-00960799. As evidenced by the cc: below, notice of this filing is being provided to Southwestern Bell Communications, Inc.

SECRETARY'S BUREAU

Verizon North Inc. ("Verizon") and Southwestern Bell Communications, Inc. d/b/a SBC Long Distance ("SBCS") respectfully submit to the Commission, pursuant to Section 252(i) of the Telecommunications Act of 1996 (the "1996 Act")<sup>1</sup>, the attached adoption letter effective October 7, 2004 (the "Adoption"). The Adoption provides for the interconnection of the two companies' networks and makes available to SBCS access to unbundled network elements, wholesale telecommunications services, and ancillary services offered by Verizon.

DOCUMENT  
FOLDER

**THE PARTIES**

1. Verizon is an incumbent local exchange carrier authorized to provide local exchange telephone service in Pennsylvania.

2. SBCS is a competitive local exchange carrier that is authorized to provide local telephone service in Pennsylvania consistent with appropriate legal requirements established by the Commission.

DOCKETED  
JAN 06 2005

**THE ADOPTION**

3. SBCS has exercised its right under Section 252(i) of the 1996 Act to opt into the Verizon/Cornerstone Telephone Company, LLC Interconnection Agreement which the Commission approved on April 7, 2004 in Case No. A-311316 F7001. Under the Adoption,

<sup>1</sup>Citations herein to the 1996 Act should be construed as references to sections of the Communications Act of 1934 as amended by the 1996 Act.

SBCS has agreed that it will be bound by the terms of the Verizon/Cornerstone Telephone Company, LLC Interconnection Agreement as such agreement is in effect on the date hereof after giving effect to operation of law.

4. The Adoption sets forth the terms, conditions and prices under which Verizon and SBCS will offer and provide network interconnection, reciprocal call termination for local traffic, access to network elements, ancillary network services, and wholesale telecommunications services available for resale to each other within each Local Access and Transport Area ("LATA") in which they both operate in Pennsylvania.

5. Key provisions of the Adoption provide for:

- (i) Compensation for Reciprocal Compensation Traffic at rates as specified in Appendix A to the Adoption;
- (ii) Unbundled loops -- providing SBCS access to existing Verizon customers -- based on a rate methodology specified in the Agreement;
- (iii) Customers to retain their telephone numbers when they switch to SBCS;
- (iv) Including SBCS customers' primary listings in the appropriate alphabetical directory ("White Pages") and, for business customers, in the appropriate classified directory ("Yellow Pages");
- (v) The resale of Verizon telecommunications services for a wholesale discount as specified in Appendix A to the Adoption;
- (vi) The continued provision of 911 services to all customers; and
- (vii) Performance standards for services provided by Verizon to SBCS equal to the level of service provided by Verizon to its own end-user customers and other telecommunications carriers.

#### **COMPLIANCE WITH THE 1996 ACT**

6. If the Commission determines that it wishes to (or must) review the Adoption under the 1996 Act or otherwise, it is the parties' view that the Adoption satisfies the requirements for

Commission approval (to the extent that they would apply) pursuant to Section 252(e)(2)(A) of the 1996 Act, which provides as follows:

The State commission may only reject ... an agreement (or any portion thereof) adopted by negotiation under subsection (a) if it finds that--

(i) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or

(ii) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity[.]

7. First, the Adoption does not discriminate against any other telecommunications carrier, as required by Section 252(e)(2)(a)(i). To the contrary, any other telecommunications carrier authorized to provide local telephone service in Pennsylvania may obtain the interconnection, unbundling and resale arrangement specified in the underlying interconnection agreement that is the subject of the Adoption on the same terms and conditions (assuming that none of the exclusions to opt-in rights under Section 252(i) of the 1996 Act would apply). Nonetheless, other carriers are not bound by the terms of such interconnection agreement and remain free to negotiate with Verizon pursuant to Section 252 of the 1996 Act.

8. Second, the Adoption is consistent with the public interest, convenience, and necessity, as required by Section 252(e)(2)(a)(ii). It is an important step towards allowing SBCS to compete with Verizon as a facilities-based local telephone service carrier for both residential and business customers.

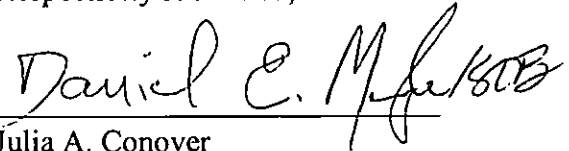

#### **APPROVAL OF THE AGREEMENT**

9. Verizon and SBCS respectfully request that, if the Commission chooses to review the Adoption, it expedite such review to facilitate implementation of competition in the local exchange market. Although under Section 252(e)(4) of the 1996 Act, the Commission has 90 days to approve or reject the Agreement, Verizon and SBCS request that the Commission act sooner than that date if at all possible, if it chooses to review the Adoption.

**WHEREFORE**, Verizon and SBCS respectfully submit the attached Adoption pursuant to Section 252(i) of the 1996 Act.

SECRETARY'S BUREAU

Dear Mr. McNulty:

Re: Informational Filing Regarding Interconnection Agreement  
between Verizon North Inc. and SBC Long Distance, LLC  
d/b/a SBC Long Distance d/b/a AT&T Long Distance  
Docket No. A-310531 F7001

Verizon North Inc. and SBC Long Distance, LLC d/b/a SBC Long Distance d/b/a AT&T Long Distance are parties to an interconnection agreement for Pennsylvania (the "Interconnection Agreement"). The Interconnection Agreement had been filed by the parties on November 23, 2004 and approved by the Commission by Order dated February 3, 2005 at Docket No. A-310531 F7001.

SBC Long Distance, LLC recently adopted the interconnection agreement between Verizon New York Inc. and AT&T Communications of New York, Inc. in New York (the "Adopted Agreement"). The Adopted Agreement that SBC Long Distance, LLC adopted contains an amendment with detailed provisions relating to, among other things, a unitary rate for intercarrier compensation for certain types of traffic, as well as interconnection architecture arrangements (the "Unitary Rate Amendment"). The Adopted Agreement also contains an amendment with detailed provisions relating to, among other things, DS0 loop rates and resale discount rates (the "DS0 Loop/Resale Discount Amendment"). The foregoing Unitary Rate Amendment and DS0 Loop/Resale Discount Amendment to the Adopted Agreement each explicitly provides that the terms of such Amendment shall be applicable to SBC Long Distance, LLC, along with each of SBC Long Distance, LLC's CLEC affiliates, as well as to a carrier adopting such agreement (along with each of such adopting carrier's CLEC affiliates), in each case for purposes of all of its arrangements with Verizon operating telephone companies, in all Verizon service territories.<sup>1 2</sup>

<sup>1</sup> See, e.g., the first paragraph of the Unitary Rate Amendment: "THIS AMENDMENT (this "Amendment"), effective as of August 1, 2006 (the "Effective Date")(the terms of which originally were effective as of November 1, 2004), amends each of the Interconnection Agreements (the "Interconnection Agreements") by and between each of the Verizon incumbent local exchange carrier ("ILEC") affiliates (individually and collectively "Verizon" or the "Verizon Parties") and each of the AT&T wireline competitive local exchange carrier ("CLEC") affiliates (individually and collectively "AT&T" or the "AT&T Parties";

107

Enclosed, for informational purposes only, is a copy of the Unitary Rate Amendment, as well as a copy of the DS0 Loop/Resale Discount Amendment, which, as noted above, by their terms apply to the Interconnection Agreement in Pennsylvania.

Verizon is submitting this information to keep the Pennsylvania Public Utility Commission fully informed of the applicable terms between the parties in Pennsylvania. Since the agreement at issue is between Verizon New York Inc. and AT&T, Verizon North Inc. does not believe that any action by this Commission is necessary. Nevertheless, to the extent the Commission wishes to approve those specific portions of the New York agreement that apply to the interconnection arrangements between Verizon North Inc. and SBC Long Distance LLC in Pennsylvania, Verizon has no objection. However, Verizon respectfully notes that such approval of course would be limited to such Pennsylvania affecting terms.

Both the Unitary Rate Amendment and the DS0 Loop/Resale Amendment separately apply to other agreements between Verizon North Inc. and other AT&T affiliated CLECs.

---

Verizon and AT&T are referred to herein individually as a "Party" and collectively as the "Parties"), but only to the extent the Interconnection Agreements referenced directly below were not already amended to address the same intercarrier compensation (including, without limitation, reciprocal compensation), interconnection architecture and related matters set forth herein. *Attachment 1 hereto lists, to the best of the Parties' knowledge, the Interconnection Agreements in effect as of the Effective Date* (the original listing having been of Interconnection Agreements in effect as of November 1, 2004). For the avoidance of any doubt, this Amendment shall also amend each new Interconnection Agreement or adoption in any Verizon ILEC service area in which the Parties did not have an Interconnection Agreement prior to August 1, 2006, provided that in such instances the "Effective Date" of this Amendment shall be the date on which such Interconnection Agreement or adoption becomes effective. The term "affiliates," as used in this Amendment, shall have the same meaning as under Rule 405 of the Rules promulgated pursuant to the Securities Act of 1933, as amended." (italics added for emphasis)

See also the following provisions from Section 2(a) of the Unitary Rate Amendment: ". . . In order for the terms set forth in Sections 3 and 4 below to take effect, the following conditions precedent must be satisfied as of November 1, 2004 (i.e., as of the effective date of the like amendment to the predecessor Interconnection Agreement between the Parties in New York) (or, in the case of another carrier adopting any of the Interconnection Agreements, as of the effective date of any such adoption and with respect to such carrier and all of its CLEC affiliates): . . ." (italics added for emphasis)

See also the following provisions from Section 3(a) of the Unitary Rate Amendment: ". . . if for any calendar quarter during the Amendment Term the ratio of MOUs, *calculated on an aggregated basis across all jurisdictions*, of (i) all traffic subject to the Unitary Rate under this Amendment that is *originated on the networks of the Verizon Parties and delivered to the AT&T Parties*, to (ii) all traffic subject to the Unitary Rate under this Amendment that is *originated on the networks of the AT&T Parties and delivered to the Verizon Parties* (the "Aggregated Traffic Ratio"), is greater than five (5) to one (1), then the Unitary Rate applicable to all such traffic above a five (5) to one (1) Aggregated Traffic Ratio shall be zero (i.e., "bill and keep"), and the then-applicable Unitary Rate shall continue to apply to all such traffic up to and including a five (5) to one (1) Aggregated Traffic Ratio." (italics added for emphasis)

<sup>2</sup> See, e.g., the first paragraph of the DS0 Loop/Resale Discount Amendment: "**THIS AMENDMENT** (this "Amendment"), effective as of August 1, 2006 (the "Effective Date"), (the terms of which originally were effective as of September 1, 2005), *amends each of the Interconnection Agreements* (each, the "Agreement"; collectively, the "Interconnection Agreements") by and between *each of the Verizon incumbent local exchange carrier ("ILEC") affiliates* (individually and collectively "Verizon" or the "Verizon Parties") and *each of the AT&T wireline competitive local exchange carrier ("CLEC") affiliates* (individually and collectively "AT&T" or the "AT&T Parties"; Verizon and AT&T are referred to herein individually as a "Party" and collectively as the "Parties"). *Attachment 1 hereto lists, to the best of the Parties' knowledge, the Interconnection Agreements in effect as of the Effective Date*. (the original listing having been of Interconnection Agreements in effect as of September 1, 2005). For the avoidance of any doubt, this Amendment shall also amend each new Interconnection Agreement or adoption in any Verizon ILEC service area in which the Parties did not have an Interconnection Agreement prior to August 1, 2006, provided that in such instances the "Effective Date" of this Amendment shall be the date on which such Interconnection Agreement or adoption becomes effective. The term "affiliates," as used in this Amendment, shall have the same meaning as under Rule 405 of the Rules promulgated pursuant to the Securities Act of 1933, as amended." (italics added for emphasis)

See also the following provisions from Paragraph 1 of the DS0 Loop/Resale Amendment: "For the avoidance of any doubt, this Amendment shall also amend each *new Interconnection Agreement or adoption in any Verizon ILEC service area in which the Parties did not have an Interconnection Agreement prior to September 1, 2005*, provided that in such instances the "Effective Date" of this Amendment shall be the date on which such Interconnection Agreement or adoption becomes effective." (italics added for emphasis)

Each of those Amendments already has been filed with the Commission, with respect to each of those other Agreements. Those Amendments, as applied to separate Agreements, include:

Verizon North Inc. and Teleport Communications Group Inc.  
d/b/a TCG Pittsburgh and TCG Delaware Valley, Inc.

Unitary Rate Amendment: Amendment No. 3 filed 12/10/04, approved 2/03/05

For clarity, we note that the unitary (intercarrier compensation) rate and terms between Verizon North Inc. and SBC Long Distance, effectively become the rate and terms set forth in Attachment 2 (Pages 29 through 43) of the Unitary Rate Amendment, and that the DS0 Loop rates between Verizon North Inc. and SBC Long Distance effectively become those DS0 Loop rates shown on Page 39 of the DS0 Loop/Discount Amendment, and that the Resale discount rates become those rates shown on Page 43 of the Amendment.

**THIS AMENDMENT** (this "Amendment"), effective as of August 1, 2006 (the "Effective Date"), (the terms of which originally were effective as of September 1, 2005), amends each of the Interconnection Agreements (each, the "Agreement"; collectively, the "Interconnection Agreements") by and between each of the Verizon incumbent local exchange carrier ("ILEC") affiliates (individually and collectively "Verizon" or the "Verizon Parties") and each of the AT&T wireline competitive local exchange carrier ("CLEC") affiliates (individually and collectively "AT&T" or the "AT&T Parties"; Verizon and AT&T are referred to herein individually as a "Party" and collectively as the "Parties"). Attachment 1 hereto lists, to the best of the Parties' knowledge, the Interconnection Agreements in effect as of the Effective Date, (the original listing having been of Interconnection Agreements in effect as of September 1, 2005). For the avoidance of any doubt, this Amendment shall also amend each new Interconnection Agreement or adoption in any Verizon ILEC service area in which the Parties did not have an Interconnection Agreement prior to August 1, 2006, provided that in such instances the "Effective Date" of this Amendment shall be the date on which such Interconnection Agreement or adoption becomes effective. The term "affiliates," as used in this Amendment, shall have the same meaning as under Rule 405 of the Rules promulgated pursuant to the Securities Act of 1933, as amended.

**WITNESSETH:**

**WHEREAS**, Verizon and AT&T are Parties to Interconnection Agreements under Sections 251 and 252 of the Communications Act of 1934, as amended (the "Act").

**WHEREAS**, the Parties wish to amend the Interconnection Agreements to reflect their agreements on certain unbundled loop rates and resale discount rates, as set forth in Attachment 2 hereto.

**NOW, THEREFORE**, in consideration of the above recitals and the mutual promises and agreements set forth below, the receipt and sufficiency of which are expressly acknowledged, each of the Parties, on its own behalf and on behalf of its respective successors and assigns, hereby agrees as follows:

1. Amendments to Interconnection Agreements. The Parties agree that the terms and conditions set forth in Attachment 2 hereto shall govern the Parties' mutual rights and obligations with respect to the provisions set forth therein. For the avoidance of any doubt, this Amendment shall also amend each new Interconnection Agreement or adoption in any Verizon ILEC service area in which the Parties did not have an Interconnection Agreement prior to September 1, 2005, provided that in such instances the "Effective Date" of this Amendment shall

be the date on which such Interconnection Agreement or adoption becomes effective. Further, the Parties agree that, if they establish new or replacement interconnection agreements that take effect prior to May 31, 2008 (including, for avoidance of doubt, interconnection agreements established through adoptions of other agreements under Section 252(i) of the Act) beyond those or replacing those set forth in Attachment 1 hereto, they shall implement the terms of this Amendment into such new or replacement interconnection agreements.

2. Conflict between this Amendment and the Interconnection Agreements. This Amendment shall be deemed to revise the terms and provisions of the Interconnection Agreements to the extent necessary to give effect to the terms and provisions of this Amendment. In the event of a conflict between the terms and provisions of this Amendment and the terms and provisions of any of the Interconnection Agreements, this Amendment shall govern; ***provided, however,*** that the fact that a term or provision appears in this Amendment but not in an Interconnection Agreement, or in an Interconnection Agreement but not in this Amendment, shall not be interpreted as, or deemed grounds for finding, a conflict for purposes of this Section 2.

3. Counterparts. This Amendment may be executed in counterparts, each of which when so executed and delivered shall be an original and all of which together shall constitute one and the same instrument.

4. Captions. The Parties acknowledge that the captions in this Amendment have been inserted solely for convenience of reference and in no way define or limit the scope or substance of any term or provision of this Amendment.

5. Joint Work Product. The Parties acknowledge that this Amendment is the joint work product of the Parties, that, for convenience, this Amendment has been drafted in final form by Verizon and that, accordingly, in the event of ambiguities in this Amendment, no inferences shall be drawn against either Party on the basis of authorship of this Amendment.

6. Scope of Amendment. This Amendment shall amend, modify and revise the Interconnection Agreements only to the extent set forth expressly in Section 1 of this Amendment, and, except to the extent set forth in Section 1 of this Amendment, the terms and provisions of the Interconnection Agreements shall remain in full force and effect after the Effective Date.

7. Termination. If a court or regulatory body of competent jurisdiction requires modifications to this Amendment, either Party shall have the right to terminate the Amendment after sixty (60) days advance written notice.

## Attachment 2 to Amendment to Interconnection Agreements

### Terms and Conditions

- A. From the Effective Date through May 31, 2008, Verizon shall bill, and AT&T shall pay, the monthly recurring DS0 loop charges set forth in Appendix A to this Attachment 2, which charges shall replace the monthly recurring DS0 loop charges previously set forth in the Agreement for the same loop types in the same service territories. Appendix A to this Attachment 2 may contain rates and charges for (and/or reference) services, facilities, arrangements and the like that Verizon does not have an obligation to provide under the Agreement (e.g., services, facilities, arrangements and the like for which an unbundling requirement does not exist under 47 U.S.C. Section 251(c)(3)). Notwithstanding any such rates and/or charges (and/or references) and, for the avoidance of any doubt, nothing in this Amendment shall be deemed to require Verizon to provide such a service, facility, arrangement or the like that the Agreement does not otherwise require Verizon to provide, or to provide such a service, facility, arrangement or the like upon terms or conditions other than those that may be required by the Agreement.
- B. From the Effective Date through May 31, 2008, the discount rates applicable to the services that Verizon is required to make available to AT&T for resale pursuant to the Interconnection Agreements or Applicable Law shall be those discount rates set forth in Appendix B to this Attachment 2, notwithstanding any other resale discount rates that may go into effect in a particular state, whether by virtue of a change of law or pursuant to a tariff filed by Verizon. For the avoidance of doubt, this Amendment does not affect which services Verizon is obligated to provide to AT&T for resale under the Interconnection Agreements or Applicable Law, but only the discount rate at which Verizon makes any such resale service available under Section 251(c)(4) of the Act.
- C. Notwithstanding any other provision of the Interconnection Agreements, this Amendment, any applicable tariff or SGAT, or otherwise, the terms contained herein shall govern the relationship of the Parties with respect to the subject matter set forth herein, through May 31, 2008, and thereafter as well until such time as such terms are superseded by a subsequent Interconnection Agreement or Interconnection Agreement amendment effective after May 31, 2008.
