RE: AES application to serve as a broker/marketer

Dear Mr. Rhoads,

Based on your assertion that Achieve Energy Solutions, LLC ("AES") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities Inc. ("UGIU") has concluded that AES will not need to post security with UGI-Central Penn Gas ("CPG"), UGI-Penn Natural Gas ("PNG") or UGI Utilities Gas Division ("UGI"). This is based on the declaration that AES will not be taking title to gas or directly serving end use customers. This also assumes that AES will be acting on the behalf of a licensed Natural Gas Supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the respective UGI tariffs. If AES wishes to directly serve Choice customers in the service territories of UGI, PNG and/or CPG in the future as a natural gas supplier, it will have to post security as specified in the respective UGI tariffs prior to the commencement of the service.

Please feel free to contact me with any additional questions that you may have.

Sincerely,

Re: Bonding Requirements

Dear Paul Rhoads:

PECO is aware Achieve Energy Solutions, LLC has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application, Achieve Energy Solutions, LLC could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. Achieve Energy Solutions, LLC has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that Achieve Energy Solutions, LLC does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided Achieve Energy Solutions, LLC or the creditworthiness requirement for PECO's exposure to Achieve Energy Solutions, LLC changes in the future, PECO reserves the right to require Achieve Energy Solutions, LLC to provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Chris Sauerbaum at 215-841-6422 or myself at 215-841-6452.

Dear Mr. Rhoads:

We are pleased that Achieve Energy Solutions, LLC ("AES") has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, AES could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. AES has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that AES does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to AES changes in the future, Columbia Gas might deem it appropriate to require AES to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-6841 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Michele Caddell
