Re: Application and Provisional Authority
Stargate Local Services

Dear Mr. McGinness:

By Order entered May 25, 1999, this Commission granted Stargate Local Services (Company) provisional authority to operate as a Competitive Local Exchange Carrier (CLEC) within the service territories of Bell Atlantic-Pennsylvania, Inc., and GTE North, Inc. The Company was given 60 days from the date of entry of this Order to comply with the requirements set forth therein. The Company has failed to file a valid Initial Tariff within the time period dictated in this Order. Therefore, the provisional authority of Stargate Local Services is revoked.

Very truly yours,

James J. McNulty
Secretary
