Re: SYR Solutions, L.P. Docket # A-2010-2159563 (Electricity Supplier License)
License Bond or Other Financial Security

Pursuant to your letter dated October 27, 2014 (copy attached), we will provide bonding in the amount of \$10,000 by January 1, 2015 as required by regulation. We do not receive revenue nor incur tax liability in Pennsylvania as reported in all previous Annual Reports filed with the PAPUC and this is the amount of the financial security required at the time our license was initially granted.

Considering that such financial security is unnecessary for non-resident broker/consultants because we do not have tax liability in the State of Pennsylvania and never will while working under the subject license, we respectfully request that the Commission consider dropping this costly and bureaucratic requirement.

Best Regards,
