RE: Docket No. C-2011-2273645 and Docket No. C-2014-2444864

Honorable Judge Fordham:

During the pre-hearing conference on November 25, 2014, Mr. Christopher Wright, representing PPL Electric, explained his understanding of the process for written testimony. Following that explanation, I believe you indicated that the written testimony and PPL's response would not be given under oath. I have been puzzled about that and am wondering how the written testimony would then be properly used in the formal hearing.

I would like to make sure that I understood your comments correctly and would appreciate it if you could confirm and clarify this question.

Thank you very much,

Most sincerely,

Larry Moyer
