C.A.C. DIVISION

Dear Secretary Chiavetta,

In June of this year West Penn Power Co conducted Tree Trimming on our farm we had written to you to express our Dissatisfaction on how we were treated By West Penn, and the Representatives of there Company.

After our initial contact with you they Did send a Representative to see me however he could not answer or was not allowed to answer some simple questions.

Since that time they have exercised there Rights and Removed the Final Strees on there rightaway.

However we still have not received answers to our simple basic questions.

(1) Why Was I not Contracted Before Trimming as we had Requested?

(2) Why did they not return to Remove Surveyors marking Ribbons they put up?

(3) Why do they Go across private Property and Not Feel the need to Let Landowners Know?

Hopefully you can Get me the answers to The Questions and Let me know where we stand with my Complaint since I have not Been Contracted By Them

(cc. Gov. Elect Wolf)

Sincerely
William S. Lynch
