Re: Docket No C-2013-2397061

Dear Secretary Chiavetta:

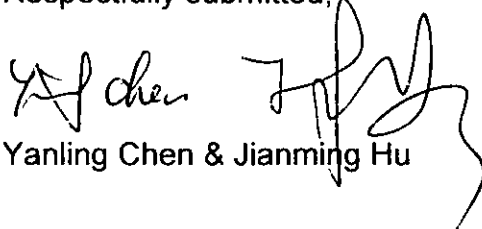

On December 5, 2013, a Formal Complaint was filed by Yanling Chen and Jianming Hu (Complainants) through the Pennsylvania Public Utility Commission against Metropolitan Edison Company (Met-Ed or Company) at Docket No. C-2013-2397061.

The Complainants attempted on multiple occasions to settle the complaint with the Company. On December 3, 2014, the Complainants and the Company had a telephone discussion on the settlement conditions and agreed to settle the case by putting the settlement agreement in writing and following the review and signing of the agreement by The Complainants and the Company (both parties), filing a Certificate of Satisfaction. The Company was authorized to draft the Confidential Settlement Agreement and the Certificate of Satisfaction. The Complainants were given right to object in writing within 10 days of the filing of the Certificate.

On December 11, 2014, the Complainants received the Company's Confidential Settlement Agreement and the Certificate of Satisfaction in the mail. However, the Complainants discovered that the Company chose to be deliberately evasive in their

commitment in the written Confidential Settlement Agreement and failed to include clearly in the Agreement all the terms agreed upon by both parties before and during the discussion on December 3, 2014. Therefore, the Complainants are writing to object the Certificate of Satisfaction and request the Formal Complaint record remains open.

Respectfully submitted,

  
Yanling Chen & Jianming Hu
