MR PAUL HUDSON COUNSEL  
DSLNET COMMUNICATIONS LLC  
3000 K STREET NW SUITE 300  
WASHINGTON DC 20007-5116

Re: A-310824, *et al.* - DSLnet Communications' compliance tariffs.

Dear Mr. Hudson:

In conjunction with the Company's Application(s) approved by the Commission's Order entered September 30, 1999, at the above referenced docket filing, DSLnet Communications has filed with the Commission the following tariffs, issued: January 18, 2000, effective: January 19, 2000: (1) CLEC Tariff No. 1, (2) Facilities-based Interexchange Carrier Tariff No. 2, (3) Toll Reseller Tariff No. 3, and, (4) CAP Tariff No. 4.

This letter is to notify you that the Commission has approved the above referenced tariff filing. The above tariff has been approved to become effective as filed. However, this approval does not constitute a determination that this tariff filing is just, lawful, and reasonable; but only that suspension or further investigation does not appear to be warranted at this time. Furthermore our approval is without prejudice to any formal complaints timely filed against this filing.

It should be noted that DSLnet stated that the Company initially intends to provide high-speed, non-switched Internet data connection services only. Therefore, it requested a waiver of the requirements to provide certain services associated with voice grade services. The Company also indicated that it would comply with all of these requirements prior to providing voice grade services.

Therefore, DSLnet Communications, LLC is hereby required to seek Commission approval at such time that it proposes to offer voice-grade services, via any technical means, as well as to comply with all of the requirements, consistent with the Commission's Order entered August 17, 2000, at Docket No. A-310862, *et al.*, regarding BlueStar Networks, Inc.'s Petition for waiver of certain tariff requirements pertaining to voice-grade services.

Sincerely yours,

*James J. McNulty*

James J. McNulty
