Carrier in Pennsylvania

FOLDED

Dear Mr. Patterson:

Please be advised that on June 22, 2000, the Commission approved the application of Nutel Phone Service, Inc. for authority to offer telecommunications services as a Competitive Local Exchange Carrier in Pennsylvania. As of this date, the tariffs necessary to implement this service have not been filed with the Commission, nor do we have any record of your company contacting the staff regarding this matter.

The Commission's Order gave you 60 calendar days in which to file the applicable tariffs. It now having been more than 60 calendar days since the Commission's action, your company seems to have abandoned its request for authority to offer the above-mentioned service. The provisional authority granted in the Order of June 22, 2000, will be rescinded 30 days from the date of this letter if the tariff/s necessary to resolve this matter is/are not timely filed.

For information regarding this matter please contact Larry Lacey at (717) 705-0934.

Very truly yours,

James J. McNulty
Secretary
