Re: Petition of DIECA Communications, Inc. t/a COVAD Communications Company
Docket Numbers A-310696F7000, A-310696F7001

Dear Judge Chestnut:

Covad and Verizon are each in receipt of your letter dated May 18, 2004, requesting an update from the parties regarding the above-referenced proceeding.

Having discussed the issues raised in your letter, Covad and Verizon believe that the best course is for the parties to work together over the next few weeks to identify issues that we believe the ALJ and the Commission need not consider in this proceeding. We will report back to you with the results of our discussions by July 9.

Of course, please let us know if you believe that a different approach would be more appropriate.

Sincerely,

Srinivasan Soundararajan

Dear Judge Chestnut:

As a follow-up to our letter dated June 9, 2004, Covad and Verizon would like to update you on our discussions regarding the open issues remaining in the above-referenced proceeding. Since our June 9th correspondence, Covad and Verizon have successfully resolved Issue 38 regarding the interval for line sharing LSRs for Verizon North. The parties continue to work together and will report back to you with another update by August 13th.

Please let us know if you would prefer another course. We appreciate very much the cooperation you have provided.

Sincerely,
