RE: Request for certificate to reflect name change

Dear Commission Secretary:

On May 28, 2014, Airus, Inc. filed a letter with the Pennsylvania Public Utility Commission requesting approval of a corporate name change from IntelePeer, Inc. to Airus, Inc. By letter dated November 21, 2014, Commission Staff informed Airus that its tariff revisions to reflect the name change went into effect and described the steps Airus could take in order to have the original certificate granted to IntelePeer be changed to reflect the new Airus name. The November 21, 2014 letter from Commission Staff is enclosed. Pursuant to that letter, please consider this a request for the Commission to change the original certificate to reflect the Company's new name, Airus, Inc. I have enclosed the original certificate as instructed in the November 21, 2014 letter.

Please confirm receipt of this request by returning the extra copy of this letter in the enclosed postage-paid envelope. Also, please confirm that the original certificate has been changed as requested by sending a copy of the revised certificate to me at the email address or mailing address shown below.

Sincerely,
DocuSigned by:

Re: IntelePeer, Inc. Name Change to Airus, Inc.

Dear Mr. Phipps:

Commission Staff reviewed the tariff revisions, referenced below. Suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code, the tariff revisions are effective by operation of law according to the effective dates contained on each page, and the case will be closed. However, this does not constitute a determination that the revisions are just, lawful, and reasonable, but only that suspension or further investigation does not appear warranted at this time, and is without prejudice to any formal complaints timely filed against said tariff revisions.
