Docket # C-2014-2459320

To whom it may concern:

My name is Greg Wanish, General Manager of Wanish Limousine Service, and I would like to respond to docket # C-2014-2459320. We have been doing business with the commission for 30 years now and have never had any issues with the general assessment up until now. As I am not disagreeing with facts brought forward by the commission as to us signing for the assessments in question, I honestly *misplaced the invoices and did not become aware of how far we had fallen behind until we submitted a application for the age limit on vehicle waiver form in September/October 2014.* We have fallen on some hard times both financially and physically as my father, Owner Edward Wanish, has been going through some serious health issues and I have been doing my best to keep everything moving forward. As I have said before, I do not disagree with the commissions findings with the expectation of the recent payments I have made. They are as follows: 12/12/13 CK# 5449 \$1500.00. 1/13/14 CK# 5518 \$574.00. 3/20/14 CK# 5625 \$500.00. 7/14/14 CK# 5829 \$500.00. That total is \$3074.00 which was my 2013-2014 fiscal year.

I am asking for the commissions help to get this matter resolved by setting us up on some type of a payment plan as I want the same resolution to this matter as the commission does and that is to get this matter taken care of. I understand there was a fine and penalty already imposed and I expect that , but the only way I see Wanish Limousine Service coming out of this situation without going out of business is with the commissions help. I hope you will allow us to continue our relationship with the commission by setting up a payment plan and allowing Wanish Limousine Service to continue to provide excellent service to its customers for another 30 years. In finishing, and most important, I would like to personally apologize to the commission for this situation and can say that it will not happen in the future. Thanks for your understanding and compassion in this matter as this is my future.

Sincerely,

Greg Wanish
