Re: Security Requirement Bond for AUI Associates, Inc.

Dear Mr. DeMichele:

Philadelphia Gas Works ("PGW") is aware that AUI Associates, Inc. has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the services territory of Philadelphia Gas Works.

As you know, in making such an application, AUI Associates, Inc. must furnish acceptable security to each utility where AUI Associates, Inc. will do business. As such, under its tariff, Philadelphia Gas Works could require AUI Associates, Inc. to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate.

However, you have indicated, and it is Philadelphia Gas Works' understanding, that AUI Associates, Inc. intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, AUI Associates, Inc. will never take title to any delivered natural gas.

Based upon your representations, Philadelphia Gas Works has determined that, at this time, AUI Associates, Inc. does not need to post a bond or other form of security to operate in its service territory. If the services provided by AUI Associates, Inc. should change, Philadelphia Gas Works reserves the right to require security from AUI Associates, Inc. as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at (215) 684-6278.

Sincerely,

Re: Bonding Requirements

Dear Len Chylack:

PECO is aware that AUI Associates, Inc. has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application, AUI Associates, Inc. could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. AUI Associates, Inc. has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that AUI Associates, Inc. does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided by AUI Associates, Inc. or the creditworthiness requirement for PECO's exposure to AUI Associates, Inc. changes in the future, PECO reserves the right to require AUI Associates, Inc. to provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Chris Sauerbaum at 215-841-6422 or myself at 215-841-6452.

Respectfully submitted,
