Re: 2006 Price Stability Index filing of D&E Telephone Company, Conestoga
Telephone Company, Buffalo Valley Telephone Company (Companies)

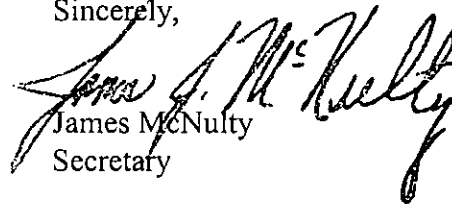

Dear Mr. Rutkowski:

Regarding the 2006 PSI/SPI filing of the above companies, please provide further
information as requested below:

1. Please provide the actual monthly intrastate noncompetitive services revenue figures for each of the 12 months for the period ending December 2005.
2. Please provide a copy of the advance customer notice sent to access service customers who would be affected by the proposed rate increases.
3. What effect would the increase in access charges have on the PA Universal Service Fund support amounts drawn/paid by the Companies for the remainder of the year, as well as in the future years?
4. What are each Company's composite MOU and individual rate elements for access charges for interstate, current intrastate, and proposed intrastate?

Your responses are needed by June 9, 2006. Please provide answers as compiled versus waiting until the entire set of answers are prepared. If you have a need for additional time for specific questions, please contact Mohan Samuel of the Telecommunications Group in the Bureau of Fixed Utility Services at 717-783-0697, or email at msamuel@state.pa.us.

James McNulty
