To whom it may concern,

Kauffman's Transport LLC of 190 Napierville Road, Ephrata PA, was served a complaint by the Pennsylvania Public Utility Commission, submitted by David W. Loucks, of the Motor Carrier Enforcement Bureau of Investigation and Enforcement, that we (Kauffman's Transport LLC) failed to maintain evidence of Cargo insurance on file with the Commission, and is subject to suspension and fines.

This is the second such notice that we have received. Of which immediately after receiving the first of such notices we contacted our Insurance provider and asked them send the appropriate documents to PPUC. As far as Kauffman's Transport was concerned this issue was resolved.

We recently received a second notice, contacted our insurance provider again and they forwarded the documents to us. Included with this are the documents to prove that there was no lapse in insurance coverage. To the best of our knowledge the proper steps were taken to resolve this issue in the past. If there are other documents or steps that need to be taken please let us know.

Sincerely, Paul Clark

Manager
