Welcome to Pennsylvania's business community. The Department of Revenue has been advised that you are authorized to conduct business in Pennsylvania. The above Revenue ID number has been assigned to your business for tax reporting purposes. Please reference this number on all correspondence with the department.

Carefully review your name, address and tax information above for accuracy. If no federal employer identification number (FEIN) is indicated, please provide this number to the department as soon as it is available from the federal government. Write the FEIN and other changes or additions in the top, right-hand corner above and return this letter to the PA DEPARTMENT OF REVENUE, PO BOX 280705, HARRISBURG PA 17128-0705.

FILING REQUIREMENTS

The taxes you are required to report annually are identified above. Tax reports must be filed timely, even if there is no business activity or if the first year in business is less than 12 months. You are obligated to pay timely and file tax returns until you formally dissolve your corporate charter, file an out of existence affidavit or cancel a license or authorization. Failure to file and pay timely may result in penalties and liens. For information on tax due dates, visit the department's website at www.revenue.state.pa.us.

Pay particular attention to the month your fiscal year ends, identified above, for the following reasons:

- For capital stock/foreign franchise, corporate net income and mutual thrift taxes, the first quarterly estimated payments are due within 75 days following the incorporation/authority date.
- A federal subchapter S corporation desiring not to be taxed as a PA S corporation is required to file Form REV-976 on or before the due date or extended due date of the first tax period for which it is to be in effect. REV-976 is available at www.revenue.state.pa.us.

SUBJECTIVITY TO CORPORATE TAXES FOR LIMITED LIABILITY COMPANIES AND BUSINESS TRUSTS

- According to Section 601 of the Tax Reform Code, limited liability companies and business trusts are considered corporations for purposes of capital stock/foreign franchise tax, regardless of how they file with the Internal Revenue Service (IRS).
- Under Section 401, any entity that files as a corporation with the IRS is subject to PA corporate net income tax. A limited liability company or business trust that does not file as a corporation with the IRS is not subject to the PA corporate net income tax.

ELECTRONIC FILING

Payments of \$1,000 or more must be remitted electronically. Register online through the department's e-Services Center at www.revenue.state.pa.us to send tax payments to the department online using e-TIDES.

The Department of Revenue appreciates your cooperation and wishes your business success in Pennsylvania. If you have any questions, visit the Online Customer Service Center at www.revenue.state.pa.us or call the Taxpayer Service & Information Center at 717-787-1064.

PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

Dear Mr. Graft:

We are pleased that Worthington Energy Consultants has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Worthington Energy Consultants could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Worthington Energy Consultants has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Worthington Energy Consultants does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Worthington Energy Consultants changes in the future, Columbia Gas might deem it appropriate to require Worthington Energy Consultants to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-6841 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Michele Caddell

Re: Security Requirement for Worthington Energy Consultants, LLC:

Dear Fred,

National Fuel Gas Distribution Corporation ("NFGDC") is aware Worthington Energy Consultants, LLC (WEC) has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, WEC must furnish acceptable security to each utility where WEC will do business. As such, under its tariff, NFGDC could require WEC to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC's understanding that WEC intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, WEC will never take title to any delivered natural gas.

Based upon your representations, NFGDC has determined that, at this time, WEC does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by WEC change in the future, NFGDC reserves the right to require security from WEC as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 716-857-7599.

Yours truly,

Dear Mr. Graft:

We are pleased that Worthington Energy Consultants has applied for a license to provide natural gas broker/marketer services on the Peoples Group of Companies. Specifically you have requested to be licensed as a supplier on the distribution systems of Peoples Natural Gas Company LLC, Peoples TWP, and Peoples Natural Gas LLC – Equitable Division (“the Companies”).

Since Worthington Energy Consultants is not currently operating, and has no immediate plan to operate a Pool on the Peoples systems, we have determined at this time that Worthington Energy Consultants does not need a bond or other financial security requirement to provide these services to the Company’s customers.

If the creditworthiness requirement or the Company’s exposure to Worthington Energy Consultants provision of services on the Peoples’ system changes in the future, the Companies may deem it appropriate to require a bond or other financial instrument.

If you have any questions feel free to contact me at 412-208-6528 or by email at Lynda.W.Petrichevich@peoples-gas.com.

RE: Worthington Energy Consultants, LLC application to serve as a Natural Gas Broker

Dear Mr. Graft,

Based on your assertion, Worthington Energy Consultants, LLC ("WORTHINGTON") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities Inc. ("UGIU") has concluded that WORTHINGTON will not need to post security with UGI-Central Penn Gas ("CPG"), UGI-Penn Natural Gas ("PNG") or UGI Utilities Gas Division ("UGI"). This is based on the declaration that WORTHINGTON will not be taking title to gas or directly serving end use customers. This also assumes that WORTHINGTON will be acting in conjunction with a licensed Natural Gas Supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the respective UGIU tariffs. If WORTHINGTON wishes to directly serve Choice customers in the service territories of UGI, PNG and/or CPG in the future as a natural gas supplier, it will have to post security as specified in the respective UGI tariffs prior to the commencement of the service.

Please feel free to contact me with any additional questions that you may have.

Sincerely,
