COUNSEL FOR PENNSYLVANIA

AMERICAN WATER COMPANY

DATE: December 30, 2014

Rosemary Chiavetta, Sec. PUC:

My issue with PAW has still not been resolved. The first issue is regarding my pro-rata billing and my second issue is regarding my home having "2" separate water lines, as being when my waterline was disconnected, my next door neighbor's water was also disconnected. How can there be two separate water lines in this case?

I will try to make arrangement with PAW to resolve these issues.
