This letter is a response for the complaint received from PUC with Docket No. C-2014-2451230, regarding the failure to maintain evidence of insurance on file. Please note I was an owner operator small business with one towtruck which was sold last year May; that is the reason for not having insurance on file for PUC. I did send a letter out last year asking to cancel my PUC number since I'm will not be replacing my towtruck and will not be needing a PUC number. I will resend the cancellation letter as well via regular mail and certified mail. If you have any question or I missed something please contact me at 412-287-1884.

Sincerely,

Krisztian Burzuk
