**Re: Brian F. Currie v. Penn Power Company**

**Complaint Docket Number: F-2015-2463472**

Dear Secretary Chiavetta,

Regarding my initial complaint to the PUC, I agreed with the payment plan that was devised by the investigator. I filed the formal appeal complaint because I disagreed with the security deposit which Penn Power was asking for because my electric service was never terminated. Penn Power sent me a letter that I received on February 6, 2015 stating that they would forgo the security deposit. I would advise Ms. Klodowski to recheck her client's communications with me. The security deposit letter which she is stating Penn Power sent me in early January 2014 is over a year old and well beyond any validity, in addition to I never received it. I request that the formal complaint stand until Penn Power abides by their communication to me.

Very Truly Yours,

  
Brian Currie
